THE ELECTIONS OF 1894.

During the coming year thirty-one states hold elections at which congressmen are to be elected. In twenty of these states the legislature must elect a new senator to take his seat March 4, 1895. The senate of the United States now contains forty-four democrats, thirty-eight republicans, three populists and three seats vacant. These twenty states may through their legislatures greatly change the United States senate.

The House of Representatives has 219 democrats, 127 republicans and 10 populists, a total of 356. It takes 179 votes to make a majority for any party. In order that our readers may do some figuring for themselves we herewith give the names of the thirty-one states holding elections this year and the politics of their congressmen now in Washington:

STATE	DEM	REP	POP
Alabama	9		
Arkansas	6		
California	4	3	
Colorado		2	
Connecticut	3	1	
Georgia	11		
Idaho	(vacant)	1	
Illinois	10	11	
Indiana	12	2	
Louisiana	6		
Maine		4	
Massachusetts	4	9	
Michigan	5	7	
Minnesota	2	4	1
Missouri	13	2	
Montana		1	1
Nevada	2		
New Hampshire	2		
New York	20	13	
North Dakota		1	
Ohio	10		
Oregon	2		
Pennsylvania	10	20	
Rhode Island	2		
South Carolina	6	1	
South Dakota		2	
Texas	13		
Tennessee	8	2	
Vermont	2		
Wisconsin	6	4	
Wyoming	1		
Total	151	105	4

In order that the house of representatives may have a republican majority there must be elected out of the 269 congressmen 160 republicans. Whether such shall be the case depends entirely upon whether the people in these states are satisfied with the present administration. The WEST SIDE would like to have the views of its readers on the probable change of congressmen, if any, in the states named above and the total according to their estimate.

Elections for a senator will also be held in the following states—at the meeting of the states' legislatures: Kansas, Kentucky, Mississippi, Nebraska, New Jersey, North Carolina and Virginia. Making a total of twenty-seven senators to take their seats in March 1895. Of the seven states last mentioned, Kansas is probably populist, Kentucky dem., Mississippi dem., Nebraska rep., New Jersey dem., North Carolina dem. and Virginia democratic.

An endless array of figures is presented by some of our contemporaries to show that the WEST SIDE is wrong in saying present-ownership maps are wrong in principle, and that they cost too much for their benefits. Maps for the use of assessors are one thing, and present ownership maps another. Do not condemn the WEST SIDE in this matter too hastily. We shall have something to say later in defense. Taxation is a very important question and it will not do to sidestep it too hastily.

Congressman Binger Herman has come out squarely as a candidate for congress in the first congressional district. He is no longer a candidate for governor of Oregon.

The WEST SIDE does not want to be understood as opposing any necessary expenditures of our city, nor does it want to criticize our city fathers in the discharge of their duties. We recognize the fact that our stand on this matter of books, and other expenses, has brought upon us the enmity of several officials of Independence, and goodness knows we seek no more enemies than we already have, but we cannot feel that in calling attention to these facts we have done more than our duty.

We are in receipt of the Oregon Evangelist of Lafayette, a neat sixteen-column monthly, edited by C. C. Poling, a brother of D. V. Poling of this city, and Rev. Ballentine. It no doubt fills a want in its chosen field, and we wish it success.

When the democratic party at Washington found funds scarce it borrowed money to run the nation. When Polk county finds funds low it will do the same. When will pay day come?

A Quarter of a Century Test. For a quarter of a century Dr. King's New Discovery has been tested, and the millions who have received benefit from its use testify to its wonderful curative power in all diseases of the throat, chest and lungs. A remedy that has stood the test so long and that has given so universal satisfaction is no experiment. Each bottle is positively guaranteed to give relief, or the money will be refunded. It is admitted to be the most reliable for coughs and colds. Trial bottles free at any drug store. Regular size 50 c. and \$1.00.

An Outrage!

This is, perhaps, a hard expression, but no other will adequately express the action of our city council at their last meeting.

When not only every citizen, but every city and county is straining every nerve to economize, our city council gets a liberal spell, and have money to throw at the birds. Our city is in debt, and taxes, the Lord knows are high enough, why then this extravagance? Have we a Tammany in embryo growing in our midst? A halt should be called. I don't know whether the council would pay any heed to a remonstrance from a citizen's committee, but it is whispered that their last proceedings were to spite and rebuke the WEST SIDE. The tax-payers, perhaps, would not care if the councilmen individually, would spend all the money they have for spite, but they should not use public money in these hard times for such purposes. Like the Tweed ring, of olden times, they say "what are you going to do about it." There are two men running the council, the others are merely figureheads, and do as they are told by these two members. It does seem strange that the tax-payers will sit idly by and allow their money to be wasted to get a little "pap" to a favorite and get revenge on a newspaper that dares to draw attention to the extravagances of the city officials. TAX-PAYER.

Luckiamate Items.

J. O. Staats, Tom Gross and Jap Bagley took a tie ticket to Independence Monday and returned on the train in the evening.

There was a populist meeting at Lewisville last Saturday. John Brown and Mr. Dennis of Falls City, were the leading speakers. They did not get the citizens warmed up very much and only a few pledged themselves to vote as they pleased.

H. S. Smith, the Lewisville merchant, seems to be picking up considerable trade as Alec Lewis is kept busy hauling goods one way and produce the other; but this did not keep Frank Turner, the Bronson boys and George Miller from chasing cones all of last Monday night and capturing eight or ten.

A protracted meeting will begin at Lewisville Thursday evening. Rev. C. C. Poling will be up Friday evening and stay over Sunday.
