THE POPULISTS NOMINATE.—The Polk county populist party held its nominating convention at Dallas last Sunday. A full county ticket was nominated. The populists did not show the strength in the convention that had been expected. The convention should have had 108 delegates, but attendance was only 87. Fusion with the democrats was denounced by the entire convention. The following ticket which was nominated: representatives, J. K. Sears and Geo. Rogers; sheriff, J. G. Sears; clerk, C. MR. EUGENE.—On last Tuesday evening the Eugene, a new light-draft tug, made her first landing at Independence, on her trial trip from Portland to Eugene, carrying quite a lot of freight. The tug is a very nicely furnished little tug, under the command of Captain J. H. Hawley, and it is his intention to make regular trips on the upper Willamette, between inches of water being all that is required to float the little craft. The tug remained here a couple of hours, and was visited by quite a number of citizens, who were glad to welcome the little boat.

The programme of entertainment held last week was successfully conducted at the Presbyterian church Friday evening. All who took part did exceedingly well.

Notations are out announcing the large next Sunday evening at the Presbyterian church, of Miss Anna Stockton, daughter of J. L. Stockton, to Mr. A. R. Culbertson of Astoria.

Mr. Gilmore made a canvas of town creek in the interest of a telephone line, and secured thirty-six subscribers, which ensures the exchange. A telephone is placed at \$1 each.

Last Tuesday, March 13th, a pleasant evening was spent at the residence of Rev. J. R. Baldwin at thirty of the friends of Miss Myrtle Miller, bidding her a farewell.

Joseph D. King, of Portland, died at Buena Vista, on the 6th of March, of apoplexy. Mr. King was born in New York, August 4th, 1833. He was a member of the fire department in Portland, Oregon, for 22 years. The funeral services were preached by Rev. J. Hallantyne.

P. W. Haley is mentioned as a possible candidate for sheriff on the democratic ticket. Mr. Haley is a very worthy man and if he should be elected, he will give Polk county good honest efficient service and that is all we can ask of any officer.

LOCAL AND PERSONAL.

Easter cards at Clodfelter Bros. Put on your green necktie tomorrow. Read the bank statement this week. You find the latest styles of furniture at Berg's.

Hugh Baldwin, lately of Buena Vista, is now in charge of Hall's ferry. Ladies if you want a perfect fit, go to Vanduy's and get one of his R & G corsets.

Vanduy must be a Yankee we judge by the way he whittles down prices on dry goods.

Five persons were baptized by Rev. Siasfoose at the Christian church last Monday. If you need that horse's shoes reset Mr. Farmer, take it to H. A. Fuller the blacksmith.

J. H. Hawley and wife, of Monmouth, visited their daughter at Anity last Sunday. The very best clothing can be had at J. M. Vanduy's on the 35 cents a bushel wheat basis.

You can get the best grades of overalls for yourself or your boys at the Racket Store at lowest prices. This is the third time this winter the Willamette has been on a rampage. There is no charm in it either.

We have added to our millinery stock, sarah silks, handkerchiefs, ties and hair ornaments.—Fisher & Vandegrift. Last Friday the Altosa had as passengers from here, C. E. Clodfelter and wife, M. Rosendorf, Mrs. Hugh Baldwin and several others.

Miss Myrtle Miller, who assists Miss Fisher & Mrs. Vandegrift in the millinery business, returned from her Portland visit, last Friday. A few more words about pants. Pants are essential to man's happiness, therefore Vanduy who sells pants is a maker of mortal happiness.

Spring, gentle spring, with one of the Alexander Cooper Drug Co's porous plasters on, is here again. They keep goods to suit the season.

THE WEST SIDE has been disappointed in not yet receiving the photo-engravings for our correspondents. They were due here this week.

A. B. Atkins received the sad news last week of the death of his father, Darius Atkins, in Erie county Pennsylvania, on the 28th of February, being sick only a few hours.

The ladies must have spring dresses! You cannot expect them to go about looking like frights. J. M. Vanduy will furnish them the goods and you can easily pay the bills.

The best definition of civilization is the art of making the most of what we are and what we have. You can do that and meanwhile demonstrate your culture by trading at J. M. Vanduy's.

At Lewisville, Or., Mar. 14, '94. Editor WEST SIDE:—Our populist brethren have been very energetic up here during the past few weeks, holding meetings and riding through the country, but as they do not read the local papers they forgot when the county convention was held and several of them, one a candidate for sheriff, were not there there to have their names proposed. They now think the success of the party is endangered through this oversight on their part.

They Got Left. LEWISVILLE, Or., Mar. 14, '94. Editor WEST SIDE:—Our populist brethren have been very energetic up here during the past few weeks, holding meetings and riding through the country, but as they do not read the local papers they forgot when the county convention was held and several of them, one a candidate for sheriff, were not there there to have their names proposed. They now think the success of the party is endangered through this oversight on their part.

Falls City. At the annual school meeting J. M. Parry was elected director and Mr. Dodd clerk; then some important business was transacted. There is some talk of adding a third teacher as the present number of pupils in attendance is so large it will require more than the present number of teachers to do them justice. Prof. Hart will have charge of the grammar department during the spring term and Mrs. Hoskins will endeavor to justify the primary department as she has in the past.

Nearly all of the eighth grade pupils who received certificates at the February examination have procured schools for the spring term.

J. S. Michell and M. Flynn have entered partnership and will run the Falls City mill during the summer. They have a splendid lot of logs and will be able to turn out a good quality of lumber.

Politics is the main issue in this part of the county; the populists seem to be gradually gaining ground, although the republicans have a large majority in this precinct.

The children of Mr. Hall were taken to the county seat by deputy sheriff Farley last Thursday. It is said Mr.

ton county. He now lives four miles north of Albany.

The Misses Julia and Mary James and May and Ida Harper of Suver, were visiting the attractions at the home of Wm. Fuqua last week.

Alex Johnson, a Swedish sailor, is working on the model of a schooner at the home of Wm. Fuqua.

Mrs. James of Suver, was visiting her sister Mrs. Fuqua last week.

Rev. Balyntine of Buena Vista, took the north bound train for Dayton, Yamhill county, last Saturday.

Cyrus Bradley, our genial banjo player, is now working for Thomas Boothby near Monmouth.

A pleasant social was had at Wm. McCurdy's last Sunday eve.

School opened last Monday morning under the direction of Mrs. J. Smith. The school will be well attended this term as we hear of pupils coming from a distance.

L. Helmick's big water wheel took "French leave" of absence from duty for pumping, was found stranded on a sand bar.

\$500 Reward for any trace of antipyrine, morphine, chloral or any other injurious compound in Krause's headache capsules, 25 cts., at Alexander-Cooper Drug Co.

Lacklamute. Mrs. Lillie Tetherow is reported ill. Mr. B. W. Harris and wife are having quite a spell of sickness.

Miss Goulet of Portland, is visiting Joe Tetherow and family.

Willie—"I have two spirited horses and will soon have a buggy." Bob—"Yes pardner, I see; you seem to be my worst enemy for this summer's sport, but I don't care so long as the girls stay with me."

Our contemporary did not float very far down the Lacklamute, but allowed his bark to drift along the craggy shores of Soap creek.

At last one of our opponents has changed his resort and settled on Coffin butte. Farewell dear scribe, we trust you will soon return to your former home.

"The people of this vicinity insist on having Chamberlain's Cough Remedy and do not want any other," says John V. Bishop, of Portland Mills, Indiana. That is right. They know it to be superior to any other for colds, and as a preventive and cure for croup, and why should they not insist upon having it. 50 cent bottles for sale by all dealers.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted as will be seen by the following from James Lambert, of New Brunswick, Ill.: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am all right to-day; and would insist on every one who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cent bottles for sale by all dealers.

There is some talk of adding a third teacher as the present number of pupils in attendance is so large it will require more than the present number of teachers to do them justice.

Politics is the main issue in this part of the county; the populists seem to be gradually gaining ground, although the republicans have a large majority in this precinct.

The children of Mr. Hall were taken to the county seat by deputy sheriff Farley last Thursday. It is said Mr.

Hall did not provide for them as he should and they were found in a rather deplorable condition; but they were not suffering from hunger as was first reported.

The graduating class have finished their final examinations for diplomas. I believe all passed without trouble, receiving the required per cent to finish the common school course.

"Snap Shots." Wash Gibson of Suver, has received a lot of fine cedar posts from Summit, on the O. P. R. R.

Rev. L. G. Fisher of Albany, preaches at Suver on the 25th of March. He has a great way of alluding to the cannibals of Hawaii (250 years ago) which makes some men's flesh crawl and excites much mirth from the small fry.

J. H. Patterson is cutting wood, (stove wood, etc.) to pass away the days until he can work in his hop-yard.

Bud Hall took his little son to Portland, where they will meet Ed Hall, who will take the little boy back to Idaho.

Last Friday evening at the home of Mrs. J. B. Williams in Buena Vista, was a musical gathering. They all did well. Elmer Hall, Miss Emma Hughes, Miss Hulbert and Miss Mary Shives rather took the cake for excellence.

In traveling through the country one sees all kind of stock, but Wm. Davidson, the owner of the horse, Britton, has as fine a stable as we ever saw. Britton is a dapple-gray, weighing 1850 pounds. Mr. Davidson has many fine horses, not race-horses, but good, all-round stock.

All of which is guaranteed to do you good and cost you nothing. Any drug store.

The Republican Club. On last Friday evening the republican club of Independence now having an enrollment of 143, had a rousing meeting. It was good to be there. After the reading of the minutes and obtaining of new members J. H. Hawley, of Monmouth, addressed the meeting at length, particularly pointing out the false charges made against the republican party by the third party. He was listened to with marked attention. Hon. E. T. Hatch, of McCoy, being present, gave a pointed address, illustrating his stories liberally with amusing anecdotes.

The next meeting of the club is Friday, March 23.

THE I. O. O. F. CEMETERY. In the City of the Dead—A List of Those Who Own Lots There.

Several years ago the Odd Fellows lodge of this city purchased a tract of land south of the city, situated on a commanding elevation, on the main road leading through the county, and had it surveyed out into 284 burial lots, with broad walks between and arrangements for, in the future, making it a lovely spot, with fountains, flowers, shrubbery, etc. The fund for carrying out those plans was to be derived from the sale of lots. The present price is \$15 for a whole lot, 10x20, or \$5 for a quarter lot. From Mr. Hirschberg and Peter Cook, the movers in establishing the cemetery, we obtain the following list of names of those who are owners of lots there. In this connection we may state that if this list does not contain the names of all who are owners of lots, it is because the records are incomplete, also if there are any errors it is for the same reason:
