MONMOUTH WEEKLY REGORD

FRIDAY, MARCH 30, 1894.

LOCAL JOTTINGS.

F. Austine is in the city this week.

Remember the Rebekah's social Saturday eve.

Two new students entered the Normal this week. The third term at the Normal

ends on Friday April 6th. These warm and balmy evenings are very suggestive to the young people to "take a walk."

S. S. Stratton a former student at the Normal, was spending a few days in the city this week.

The societies at the Normal are going to have a mock trial next Friday evening which promises to be quite entertaining.

There will be a temperance meeting at the Christian church on next visitors at D. M. Calbreath's last Monday evening at which there Friday. will be several addresses besides an entertaining programme which has been prepared.

North and South Monmouth will each be entitled to seven delegates at the Republican convention held Friday April 6th. These precincts can be counted on for a big republican majority next June.

The revival at the Baptist church evening. Rev. Short had very good day. congregations during the meeting and presented the truths of the gospel in a plain and simple manner.

The reading circle held an interesting meeting at the home of Dr. and Mrs. Parrish last Friday evening. The next meeting will be held on next Thursday evening at the residence of J. E. Bond and wife.

Mrs. Ada W. Unruh of McMinnville, will address the people of this place on woman's suffrage at the Christian church on Saturday eve April 7th. In the afternoon she will give a chalk talk to the young

people. Rev. J. N. Smith who has been and will hold his regular appoint by a whirling majority. ments at the Christian church here next Sunday.

Several of the Odd Fellows and Rebekahs from this place attended the Rebekah lodge of Indepention. dence last Tuesday evening and report one of the most enjoyable events of the season.

Sunday evening was very largely June. attended. The songs and recitations of the little folks were quite well rendered, as were several other numbers of the programme. A generous collection was donated.

The Rebekah lodge of the I. O. O. F. here will give a most enjoyable entertainment at their hall in the bank building to-morrow (Saturday) evening, to consist of literary exercises after which delicious refreshments will be served to those who wish for 15 cents. Admission 10 cents.

The Republican club held another interesting meeting last Saturday evening. Speeches were led and I have a dozen different kinds. He hies himself thither until he is made by J. W. McCulloch, B. L. Respectfully, Murphy and F. Long. An address was given by Prot. Spillman and the quartetté sang several selections. A short talk was also given by vice-president Smith.

The football game last Saturday resulted in favor of the seniors and commercials, the score being 16 to 0. The game was fiercely contested but the team work of the winners was too strong for their adversaries. The juniors and subs took the ball in two or three yards of their opponent's goal several times but failed to secure a touchdown. Both sides did some very good tackling.

One day this week as Mrs. James Davidson of near Parker was taking a picture frame down from the ness is around once more. wall the frame fell on her head and the glass was broken into many pieces; a short time afterward she felt a severe pain in her shoulder and on examination it was found a fragment of glass had entered her absolute cure for all kidney and urinary shoulder. Mrs. Davidson came to diseasestown to see a physician and after a very painful operation, a piece of glass which we understand was about four inches long was taken gave an entertainment celebrating from her shoulder.

There is no place in Oregon where a mercial street, Salem. Meals 25 cts the liquor trafic and its effects, and some of the young ladies rather
