Strikes President Carnot of France.

An Italian Anarchist the Criminal.

Civilized Nations Mourning-Effect of Finance and Affairs of State Generally.

LYONS, June 25.-President Carnot as killed by an It dian anarchist last night. He was stabled to the heart. and died almost immediately. The president was visiting Lyons in conection with the interrational exhibition. After pas ing some time at the exhibition, he proceeded to the Palais te Commerce, where a banquet was the president started for the theatre, where a gala performance was to be given. Several carriages were in the procession, the first being occupied by \$50,000.00 the president. When half way down the street, which was lined with enthusiastic crowds of people, who were loudly cheering, a man rushed out of the crowd and sprang upon ten of the president's landau.

The people close to the carriage say that the man standing on the step had a knife in his hand. By the glare of the electric lights they saw the bright sassin's arm descended, and then President Carnot was seen to fall back in M. Rivaud, perfect of Lyons, who was him from the spte, thus preventing Mme. Carnot."
