MONMOUTH TO NEBRASKA.

A Carload of Wheat, Potatoes, Dried Fruit, Flour, etc., from This County, for the Nebraska Sufferers.

Editor WEST SIDE-I herewith hand you a list of our fellow citizens, who have contributed to the "Nebraska sufferers." And I will say here that it has been the intention of the committee to give a complete list, and if any one has been omitted it was wholly unintentional, and if the fact will be made known to the undersigned the correction will gladly be made.

Notwithstanding our people feel the pinch of hard times keenly, yet when their generosity is appealed to, to relieve the wants of those less fortunate than ourselves, it is not in vain. That our contribution may arrive in time to be of service in relieving the distress of our fellow countryman, in Nebraska, is the prayer of our community.

Respectfully submitted, J. H. HAWLEY, Com.
