AYER'S Cherry Pectoral.

"Early in the Winter, I took a severe cold which developed into an obstinate, hacking cough, very painful to endure and troubling me day and night, for nine weeks, in spite of numerous remedies. Ayer's Cherry Pectoral being recommended me, I began to take it, and inside of 24 hours, I was relieved of the tickling in my throat. Before I finished the bottle, my cough was nearly gone.
