LOCAL AND PERSONAL.

MORE BLOODED STOCK.—I. C. Carey received a small but valuable shipment of horses last Monday morning by way of the Southern Pacific from Carlinville. It was a yearling filly by the great Alexis. Its dam is a half sister to the famous Del Norte, and Mr. Carey is justified in expecting great things from his handsome little animal. Doc Young, the well known veterinary surgeon, is also expecting to receive a remarkably well bred young rooster in a few days. The colt was sired by Del Norte and its mother being a full sister to Molly McCarthy there is no reason why the animal should not be what Doc predicts, "a world beater." One of the coming speedy roadsters of this section is undoubtedly owned by J. W. Kirkland and is a beautiful little 11-month filly by Phallomont Boy, its dam by Rockwood. It has, like the Carey yearling, been entered for the With Hazel stakes, under the name of Sally K.

RECEIVED NAD NEWS.—Wednesday the wife of E. T. Henkle received the sad news of the death of her brother Harry, who died at Pendleton, Ore. Thursday, Mrs. Henkle has the deep sympathy of not only her own circle of friends but those of Mr. Harris as well, for the deceased was a young man well liked by all who knew him and his loss is deeply felt. He was a graduate of the State Normal school of the class of '87. The body arrived here this morning and the interment will be in the K. of P. cemetery near Monmouth.

NEW SIDEWALKS.—There was a crew of carpenters at work Monday laying a sidewalk in front of the Cooper property on the northeast corner of Main and C streets. The men were working under the instruction of Marshal Tucker and the improvement to that portion of the public thoroughfare is very noticeable, and could be duplicated to great advantage in other parts of the city.

TO REPRESENT POLK.—Tuesday Rev. J. Fred Jenkins went down to Portland to attend the state Sunday school convention. He attended the gathering as delegate at large from this county and also as the representative of the Baptist Sunday school of this city. While in Portland he will be the guest of Rev. Hawes, the United Presbyterian minister.

TO REPAIR THE TRESTLE.—A crew of six men, in charge of A. J. Howell, started in Monday morning to make the necessary repairs to the Southern Pacific railroad trestle across the gulch below B street.

Saturday, May 18th, at the hour of 8 p. m. the people of Independence will be favored with a stereopticon entertainment at the Christian church. Admission 10 cents. The views are the best of the series of Mt. Hood and St. Ramer as seen last year by the Stanzas. Professor T. O. Hutchinson, who was on the trip, will explain the views. Also an illustrated "Trip Around the World." The proceeds are to be devoted to the Sunday school library.

Next Sunday night at the Congregational church Rev. O. B. Whitmore will give his second talk on "Spiritism With an If," when he will comment on the scriptural account of "King Saul and the Witch of Endor" and the "Appearance of Moses and Elias on the Mount of Transfiguration."

Last Monday there was a little excitement at the city pound, when W. Williams sold a black mare which had been impounded the required time. Wayne's eloquence failed to arouse much enthusiasm, however, and all that was bid was \$6.

Office for Rent. THE FRONT ROOM OF THE WEST SIDE OFFICE, 1138, opening on Main street, suitable for a real estate or lawyer's office, will be rented, including fuel for stove and electric light very cheap. Enquire at the West Side office.

The Brownies' Entertainment. Friday night the Independence tribe of Brownies made their appearance at the opera house, and assisted by some of the best home talent, gave a large audience a very good entertainment. Lack of space forbids an extended mention, but the music of the orchestra was excellent as was also the instrumental number rendered by Misses Barnes and Mills. The recitation by Miss Vanderveld was received with much applause, and the young lady was recalled to again please the house with her oratory. It is pleasant to note that the entertainment was a success financially and in every way reflects credit upon the ladies of the Methodist church.

Whoooping Cough. There is no danger from this disease when Chamberlain's Cough Remedy is freely given. It quiets the cough, soothes and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by Alexander-Cooper Drug Co.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a severe of this distressing ailment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes special pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Alexander-Cooper Drug Co.

The address of welcome was given by W. L. Reynolds, which was fittingly responded to by W. H. Hawley, of Independence. The delegates were then enrolled and the following committees were appointed: On resolutions, W. H. Lewis, Miss Viola Mann, and Mrs. T. E. Abrams; on nomination, W. H. Hawley, B. F. Smith, W. E. Goodell, P. F. Clark, and Mrs. A. K. Wilson. The leader of the topic "Teachers' meeting" being absent, the president W. B. Duncan opened it and was followed by Rev. Jenkins, Rev. Irvine is now the happy possessor of a new Imperial bicycle, which arrived Wednesday per Wells, Fargo & Co. L. Helmetick's mill machinery was disabled a few days ago owing to the broken stuffing box on the steam pump that gives the boiler its water supply. With but little care and no trouble, the beard and mustache can be kept a uniform brown or black color by using Buckingham's Dye for the Whiskers. Scott Abbott, the well known stockman and trainer, went down to Salem Tuesday to look up some new fast stock which he expects to bring to the Independence track to train this season. Leo and Habbitt and careful nursing of devoted friends have pulled Mr. Griffin through a very severe illness. While in Stockton, Cal., some time ago, Thos. F. Langan of Los Banos, that state, was taken very severely with cramps and diarrhea. He chanced to meet Mr. C. M. Carter, who was similarly afflicted. He calls: "I hold him of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and we went to the Holden Drug Store and procured a bottle of it. It gave Mr. Carter prompt relief and I can vouch for its having cured me." For sale by Alexander-Cooper Drug Co.

Preparations for the Bicycle Tournament Have Been Completed. Saturday, May 25th, will be a notable day in sporting circles of this city. The Independence Amateur Athletic Club has completed its arrangements to give a bicycle tournament, under the rules and with the sanction of the L. A. W., and quite a number of the best riders in the Willamette valley are expected to participate. It is also expected that on the same day there will be a school picnic here, and that the interest of the occasion would be still further increased by a hard fought game of baseball between the home club and the Clatsop nine. The latter puts up one of the hardest games to be beaten in this section, and the Independence boys are putting in every spare moment practicing. It was learned later, however, that the baseball boys had decided to have their game another day, as it was deemed unadvisable to attempt both events on one day. A picnic in the morning and races in the afternoon would leave little time for the twirlers. The sports will take place on the Talmage track and a large crowd will undoubtedly be here from the neighboring towns, a big number of wheelmen will come over from Salem, and it is stated that some of the Portland crack riders will be on hand also.
