Roseburg Pioneers.

ROSEBURG, JUNE 15, 1895.

EDITOR WEST SIDE:—Today we had the greatest reunion of pioneers ever experienced in Roseburg. We had Gov. Lord and the Hon. Binger Herman with us, who both responded to a call for some remarks relating to pioneer life.

I send you two copies of the poem sung on the occasion. The audience joined in the singing with a gusto that welkin ring with melody.

The 15th of June 1895 will ever be memorable in the minds of the Douglas county pioneers as one of great social enjoyment, and the renewing of a friendship characteristic of the old pioneers.

STEPHEN STAATS.

PIONEERS' SONG.

WRITTEN FOR THE PIONEERS' REUNION BY MRS. J. McCULLY.

Tune: "Auld Lang Syne."

Should old times ever be forgot, And never called to mind?

We'll yearly meet in friendship sweet, For the early days—'lang syne."

'Twas here we met as Pioneers, O'er forty years ago;

We pitched our tents, staked out our claims, Prepared to mine and sow.

Together dangers here we met, Beset by savage foes;

Together in this nearly passed, We shared our joys and woes.

To-day we meet with glowing hearts, To clasp the hard-won hands

That toiled and fought in bygone years, And conquered savage bands.

Our valleys teem with beauty now, Great plenty crowns our cheer;

Give honor to whom honor's due, The brave old Pioneer.

Where'er we go in after life, We never can forget

The tried old friends of early days. As Pioneers we met,

A Brick Block to Be Built.

There was a rumour floating round last week that a certain large firm intended consolidating with a certain other firm, and that a certain wealthy gentleman, and his associates intended erecting a magnificent two story building, on a certain very prominent corner in Independence and that a certain other property owner would join walls and erect a brick, and that the block when completed would be the finest in Polk county, but we guess it the rumour is floating yet as we found no head or tail to it.

LATER.

At last the details are arranged. It is to be a building 28x148 running from Main street along C street back to the alley. It will have a large basement, brick and cemented, and will be two stories high. It will be heated with steam. J. S. Cooper will be owner and J. R. Cooper will furnish 400,000 brick, for the building.

That Dog.

The subject for discussion at the Congregational church next Sunday at 8 p. m. The Daily Oregonian says of this lecture: "That Dog," was the subject of a lecture delivered by Rev. O. B. Whitmore at the Centenary M. E. church last night. Those who attended listened to an address of unusual power. The quaint and pointed manner in which Mr. Whitmore applied the subject—"That Dog"—to the various phases of the temperance question was certainly original.

Miss Tilly Best rendered very sweetly a difficult vocal solo on last Monday at the Normal chapel.

Nervousness

Cannot be permanently cured by the use of opiates and sedative compounds. It is too deeply seated. It is caused by an impoverished condition of the blood, upon which the nerves depend for sustenance. This is the true and only natural explanation for nervousness. Purely, enrich and vitalize the blood with

Hood's Sarsaparilla

and nervousness will disappear. Hood's Sarsaparilla will give vitality to the blood and will send it coursing through the veins and arteries charged with the life giving, strength building qualities which make strong nerves. If you are nervous, try Hood's Sarsaparilla and find the same relief of which hundreds of people are telling in their published testimonials. Get Hood's Pills

Look out for the Announcement Kramer will make next week.
