square Type

The thumb is an unfailing index of character. The Square Type in-dicates a strong will great energy and firmness. Closely allied is the Spatial ted Type, the thumb of those of advanced ides and business ability. Both of these types belong to the busy man or woman; and Demorest's Family Magazine pre-pares especially for such persons a whole volume of new ideas, con-densed in a small space, so that the record of the whole world's work for a month may be read in half an hour. The Conleal Type indicates refinement, culture, and a love of music poetry, and fetion. A person with this type of thumb will thor-oughly enjoy the literary attractions of Demorest's Magazine. The Ar-tistic Type indicates a love at beauty and art, which will find rare pleasure in the mapificent oil-pict ure of roses, 164 2 M inches, repro-duced from the original painting by De Longred, the most celebrated of living flower-painters, which will be given to every subscriber to Demorest's Magazine for 1855. The cost of this superb work of art was \$350.00; and the reproduction cannot be distinguished from the original. Besides this, as explisite oil or water-color picture is pub-lished in cach number of the Maga-zine, and the articles are so pro-fusely and superbly illustrated that the Magazine is, in reality, a port folio of art works of the highest order. The Philosophic Type is the thrum of the thinker and inventor of idens, who will be deeply inter-ested in those developed monthly in Demorest's Magazine, in every one of its numerous departments which cover the sufties are so pro-fue, the philosophic Type is the thrum of the thinker and inventor of idens, who will be deeply inter-sert in those developed monthly in Demorest's Magazine, in every one of its numerous departments which cover the sufties article and scientific field, chronicling every fact, fancy, and fad of the day Demorest's is simply a perfect Family Magazine, and was long age crowned Queen of the Monthile.
