What with the returning hop-pickers and the Indian's and the natural fall trade, Independence has been livelier than for the past three years. There is one medicine which every family should be provided with. We refer to Chamberlain's Pain Balm. When it is kept at hand the severe pain of a burn or scald may be promptly relieved and the sore healed in much less time than when medicine has to be used. A sprain may be promptly treated before inflammation sets in, which means a cure in about one third the time otherwise required. Cuts and bruises should receive immediate attention, before the parts become swollen, and when Chamberlain's Pain Balm is applied it will heal them without matter being formed, and without leaving a scar. A sore throat may be cured in one night. A piece of flannel dampened with this liniment and bound on over the seat of the pain, will cure lame back or pain in the side or chest in twenty-four hours. It is the most valuable, however, for rheumatism. Persons afflicted with this disease will be delighted with the prompt relief from pain which it affords, and it can be depended upon to effect a complete cure. For sale by Alexander-Cooper Drug Company.

Today, (Thursday) noon, the dwelling occupied by H. S. Portwood, at Monmouth turned to the ground. It was owned by Mrs. Lark Hall. Did not burn amount of insurance. The insurance was nearly all saved.

"Will-down in the 8-11 western part of the state some time ago," says Mr. W. Chisholm, editor of the Ohio (Ind.) Enterprise. "I had an attack of dysentery. Having heard of Chamberlain's Colic, Cholera and Diarrhoea Remedy I bought a bottle. A couple of doses of it completely cured me. Now I am a champion of it and remedy for all stomach and bowel complaints." For sale by Alexander-Cooper Drug Company.

THE BEST FEATURED YOUNG LADY.

A Competition in Beauty, Which Will be Carried on by Readers of this Paper.

In this issue of the West Side will be found a coupon, entitled: "A Beautiful Girl," which every one who receives is invited to tear out, write the name of some young lady a resident of the town designated on the coupon, and mail the same to the West Side not later than Monday following the date appearing on the coupon.

The plan of the contest is as follows: Each postoffice in Polk county will have a contest, each lasting four weeks. At the end of the fourth week, the young lady having received the most votes will have her picture, a half tone engraving, printed on a supplement to this paper. The reason we use a supplement is that common news paper will not give satisfactory results in half-tone work. This supplement will be printed on heavy super-calendered paper.

RULES AND REGULATIONS.

In order to have this contest entirely satisfactory to all, we ask that the spirit of the contest be observed as well as the letter. It is to be remembered that the pictures will include only head and shoulders, as far down as the waist, therefore the two essentials are regularity of feature, perfection of form, expression of face and grace of pose.

1st. As many votes will be received as coupons can be obtained from papers.

2nd. Voting will close each week at 12 p. m. on each Monday. Votes received later will not be counted.

3rd. To voting, the name on the coupon must be of a young lady not less than 16 years of age, not married, who resides here in Polk county.
