Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by Kirkland Drug Co.

Her Only Regret Mrs. Peabody had passed through the most trying experience of her life before she found a Remedy for All Women's Ills.

Nobody who sees Mrs. Mary M. Peabody, of 43 Water Street, Haverhill, Mass., to-day will find it easy to believe that she has passed her 69th year and has endured more suffering than comes to the ordinary lot of women.

How she regained health and happiness is best told in her own words. She says:

"Last winter and spring I had the grip which left my system all run down. I also suffered from female weakness and frontal neuralgia to women. I had no strength and no ambition. My friends did not think that I would live and I used several boxes of them and from a total wreck I was made a healthy woman. My only regret is that I did not know of Dr. Williams' Pink Pills for Pale People when I had the change of life. I am now enjoying the best of health, and heartily and cheerfully recommend all due to Dr. Williams' Pink Pills for Pale People."

"There are many facts about my case that I do not care to have published but I will gladly answer any woman who cares to write me about the subject."

Subscribed and sworn to before me this first day of September, 1900. THOMAS W. QUINCY, Justice of the Peace.

Dr. Williams' Pink Pills for Pale People are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, neuritis, rheumatism, nervous headache, like other effects of the grip, palpitation of the heart, pale and sallow complexion, and all forms of weakness either in male or female.
