## A Barrel Factory.

There is a New York man in The Dalles who wants to start a barrel factory in the state, somewhere plenty of oak grubs.

Well, now, gentlemen of the Independence Board of Trade, here is an opportunity for some good work.

for a barrel factory. · Come, gentlemen, get in touch with this New York man.

It is said that there are three kinds of people in the world, the wills, the won'ts and the can'ts. The first accomplish everything, the second oppose everything, and the third fail in everything.

Within two years the 9th U. S. mean quiet garrison duty.

mariner welcomes the sight of land. just as much as on old fields. Send on your feed, brethren, and get your advertising.

The late Count Muravieff was so looking for a steady job. He had "incurably double" that Russia been working in Eastern Oregon, was frequently suspected of designs where he said the work wasn't of which she was innocent. For steady enough, so he threw up the tunately, the old diplomacy by job he had and started for the valwhich "an ambassador was sent ley. He stopped for supper, and then will have to be paid by China, with American apples are a part of the said they twisted the posts out of worked until 9:30, when they quit the ground, twisted themselves off work entirely—until 4 o'clock next the policy of this government, States in Paris. They are kept in the posts, and actually twisted morning. What he wanted was a wrinkles in his corn-field!

We need not look for a better argument for diversified and intensified farming in the Willamette valpetual youth.

The extraordinary carelessness of parents in leaving dangerous drugs within reach of children is in marked contrast with governmental supervision over druggists and physicians. A few weeks ago a man to kill a dog, and while waiting to use it, wrapped the bottle in a cloth and tucked it into a work-basket. Two little children found it, presumably fancied it a doll, and took it to bed with them. In the morning the child clasping the uncorked bottle was found dead; the other unconscious, past recovery. So bitter an experience emphasizes the oft-repeated and oft-forgotten warning that the first essential for the

Notice for Publication.

Last bub, Oct. 13. First pub, Aug. 11.

Notice for Publication. TIMBER LAND, ACT JUNE 3, 1878.

United States Land Office, Oregon City,
Oregon: August 6th, 1900.

Notice is hereby given that in compliance with the provisions of the set of Congress of June 3, 1878 entitled "An act for the sale of timber lands in the States of California, Oregon, Nevada, and Wasnington Territory," as extended to all the Public Land States by act of August 4 1892, Calvin E. Hobert. of West Superior, county of Douglas, State of Wisconsin, has this day filed in this office his sworn statement No 5252, for the purchase of the W 1/2 of W 1/2 of Section No. 3, in Township No. 7 8, Range No. 8W, and will offer proof to show that the land sought is more valuable for 1/2 timber or stone than for agricultural purposes, and to establish his claim to said land before the Register and Receiver of this office at Oregon City, Oregon, on Friday, the 26th day of October, 1900.

He names as witnesses: John J. Collins, of Albany, Oregon; Benjamin F. Russell, of Albany, Oregon; Any and all persons claiming adversely the above-described lands are requested to flit their claims in this office on or before said 26th day of October, 1900.
