NO BACKWARD MOVEMENT.

R. G. Dun & Co.'s weekly review of

Greatest Parade of Veterans The sky is not cloudless; but there has been no backward movement of business this week. The chief drawback of the week has been the intense THIRTY THOUSAND IN LINE which was more efficient in retarding

business than the lower temperature East, which is stimulating it. Crop advices continue as cheerful as at any time lately, and the labor situation shows no important changes

working forces. Prices are steady, but there is talk willing to place orders for the ensuing years' supplies. More good news comes rom the great iron centers, where bridge and boatbuilders and makers of finished or partially finished material. Prices are sustained, and in a few cases move upward. Iron, generally is already a solid and better balance

Another sharp decline has taken Wheat declined still further, touch-
