KNIGHTS OF PYTHIAS

WEDNESDAY EVENING, DECEMBER 7, 1900. The regular meeting of the Knights of Pythias...

COURT INDEPENDENCE

At the Court of Independence, held every Tuesday evening at 8 o'clock.

WHEAT, 50c.

FOREY MORNINGS. W. R. Allen, dentist, Cooper block.

J. L. Stockton has men's clothing, A—No 1, at old prices.

West Side and Weekly Statesman, one year, \$2.

The annual meeting of the Independence fire department will be held next Monday evening...

Ladies' and children's jackets less than cost at the Monmouth store.

Campbell Bros. have no equal in pricing ranges and styles.

The Monmouth people have always patronized us liberally and still continue to do so.

Christmas decorations, candies, etc., at Robinson's.

The driveway at the S. P. depot needs several coats of good gravel to make it both useful and ornamental.

Buy your mill feed at the Collins mill. Bran, \$15 per ton; shorts \$16 per ton.

Have you bought your winter wraps? Now is the time to buy them at less than cost at the Monmouth store.

The Multnomah football team has cold feet. The Salem boys have tried in every way to get a game but without success.

Robinson's Book Store has just received a large lot of new books by the latest and best authors.

J. L. Stockton buys of the best houses in the U. S. The same traveling men sell him as to the best houses in Portland and Salem.

Newbro's Herpicide, the dandruff cure, E. T. Henkle the barber, keeps it.

Wm. Barnett is preparing to open up a poultry market on Main street where he will be ready at all times to supply customers with freshly dressed fowls.

There is no use sending away to Portland or Salem for holiday goods as Robinson & Co. keep a good stock on hand.

Wall paper that will please the most critical, at Campbell Bros.

A moral wave is said to be moving at Dallas. 'S'pose it will reach over this way after a bit.

Campbell Bros. have just received a new and complete stock of wall paper.

J. L. Stockton has a \$30,000 stock. He is constantly buying and selling, and in his stock there is not \$50 of undesirable goods.

Several of the boys who "lit out" of Salem court was about to be in session at the county seat on Monday, have returned, court having adjourned the same day it opened.

You would be surprised to see the great variety of air tight heaters displayed on the floor at R. M. Wade & Co. If you need anything in that line don't overlook them.

At Dallas on Monday, Judge Burnett held court for about fifteen minutes, called the docket, settled eight cases and continued a half dozen others.

We wish to thank the Independence people who have organized us so liberally and extend an invitation to others also. Remember that if your neighbor can save money buying dry goods in Monmouth, you can too.

FOUND—On Wednesday morning a pair of silk mitts was picked up in front of the office, which some early traveling lady had dropped. She may call and get them.

Carpenter Finch has just finished a fine skiff for duck hunting and will soon give it a trial.

Xmas goods at Robinson's.

For special rate on Lippincott's Magazine to subscribers of the West Side, call at the office.

Portland bicyclists ride on all the sidewalks right in town. But then, Portland is a back-number village, has street lights, a big debt, and is, generally, not up to date.

The word Garland is a guarantee that the goods are first class in every respect. For sale by R. M. Wade & Co.

Campbell Bros. have the best line of carpets that has ever been carried in Independence—all wool and a yard wide.

A few growers still hold their hopes in expectation of higher prices. Offers are made of 14c cents. In New York Peaches were 19c cents for choice a few days ago. Buyers are still active, but will not go above 15 cents notwithstanding the market value in the East—Woodburn Independent.

Campbell Bros. carry six different lines in air-tight prices guaranteed the lowest.

Try Moore, the barber, north side of "C" street, opposite Knox's grocery store, for a hair cut or shave.

Newbro's Herpicide, the dandruff cure, at E. T. Henkle's barber shop, 10 cents.

When in Salem and you want a good meal don't forget to go to Strong's Restaurant, where everything the market affords can be had.

J. B. Moore, the barber on C street, now handles Newbro's Herpicide, the famous dandruff cure, endorsed by all the leading barbers of Portland and all cities in the east. Give it a trial and save your hair.

Have you arranged yet for your evening reading? If not, it will be to your advantage to call at Robinson's Book Store on Main street. All the standard authors are kept on hand and many of the latest books can be found only there.

Every day is a Bargain Day at Monmouth's Big Dry Goods Store and people from other towns are fast finding it out. Our trade is growing rapidly.

S. M. DANIEL, Monmouth, Ore.

Subsidy Resolution.

Adopted by Marion county Pomona grange at Macleay, Oct. 10, 1900:

Whereas, The farmers and laborers have been and are now paying an undue proportion of taxes, and

Whereas, There is now pending before congress a bill creating another special privilege at the expense of the producers of wealth, known as the Frye Payne subsidy bill, and

Whereas, When prices of our products advance in foreign markets, farmers are advanced so much that a decline of price is sometimes caused in our home markets to the injury and loss of the producers. Therefore be it

Resolved, That we are opposed to any legislation in favor of a class as against the masses of our people and, particularly do we object to and condemn the attempt to subsidize the shipping interests that are already enjoying a greater prosperity and success than are the agriculturists of our nation.

Resolved, That as long as protection is promised, we are in favor of and demand that all our people have an equal opportunity to share in that protection without being compelled to join the shipping combine.

Resolved, That we believe it is a duty our senators and representatives owe to their constituents to protect us against the special privileges asked by other constituents to our injury.
