Several other societies have signified their willingness to go in with the Foresters.

Eastern Star Meeting. The members of Adah Chapter No. 34, O. E. S., had a delightful and instructive meeting on last Friday evening, the occasion being an official visit by the grand matron, Mrs. Jessie F. Vort, of Pendleton; there were also present the grand conductors, Mrs. Townsend, of Dallas, and Mrs. R. S. Conner, worthy matron of Naomi Chapter of Dallas. Adah Chapter conferred the beautiful degrees of the order upon two ladies and the officers were the recipients of much praise for the excellent manner in which they acquitted themselves in their first attempt at work. The grand matron could scarcely find words strong enough to convey her feelings of pleasure at the work of the chapter.

After the business of the evening had been attended to, a delicious lunch with hot coffee was spread in the banquet room to which all adjourned for refreshment. After being fully rested and refreshed, the members returned to the lodge room where the impressive 34th was conferred upon Mrs. Vort and others in a very impressive and enjoyable manner. From Independence, Mrs. Vort went to Jefferson for the purpose of instituting a new chapter at that point.

The members of the order here feel very kindly toward the grand matron for the nice manner in which she reviewed the work of the lodge. The present officers of Adah Chapter are: Mrs. E. L. Ketchum, worthy matron; Mrs. E. W. Cooper, worthy patron; Mrs. A. J. Goodman, associate matron; Mrs. O. D. Butler, secretary; Mrs. W. P. Conaway, treasurer; Mrs. A. S. Locke, conductress; Mrs. E. E. Cooper, Adah; Mrs. J. W. Richardson, Jr., Ruth; Miss Nellie Burke, Esther; Mrs. H. Madison, Martha; Mrs. M. W. Mix, Electa; Mrs. Palentine Cooper, warden; Dr. Ketchum, sentinel; J. R. Baldwin, chaplain.

Di. The many friends of Mrs. O. D. Rider were shocked Monday morning to learn that this estimable woman had died about 10 o'clock. Frequent reports from her bedside were so favorable that her friends were looking forward to the time when she would again be able to be among them. She had been ailing for over a year and everything that medical skill could do to alleviate her sufferings failed and the patient and long suffering woman finally passed away. Mrs. Rider was born in Ohio and was 62 years of age last November. She had lived in Polk county for twenty years and was well known and esteemed by neighbors and friends for her high qualities.

Besides the disconsolate husband, deceased left six children, viz: Fred Rider and Mrs. Cora Edwards living at Snohomish, Wash.; Frank Rider, living on a farm a few miles north of Independence, and Mrs. Hattie Clark, Mrs. J. N. Jones, and Mrs. J. F. Buckley, living in this city. The funeral services took place Tuesday afternoon and were largely attended. Elmer E. Harritt, one of the best known farmers of this section, died Saturday morning at his home, about two miles north of Salem, in Polk county. Deceased was born 39 years ago on the donation land claim here that had since made his home. He had always been an enterprising, progressive and public spirited man. He left a wife and three children. He also left two brothers—J. W. and Byron Harritt, of Salem—and a sister, Mrs. J. H. Emmett, of this county. He was a member of the Woodmen of the World, under whose auspices the funeral was conducted Sunday.

Dallas will have a city election on April 1st. "There'll be a hot time in the old town that night, my darling." The F. U. of A. will give a "bottle" social on Saturday evening, March 23, at the I. O. O. F. hall. Everyone is requested to bring a clean bottle and ten cents. A good program will be given and refreshments served. It is not so much what the newspapers say, as what neighbor says to neighbor, or friend to friend, that has brought Chamberlain's Colic, Cholera, and Diarrhoea Remedy into such general use. It is natural for people to express their gratitude after using this remedy as it is for after using down hill. It is the one remedy that can always be depended upon, whether a baby be sick with cholera infantum or a man with cholera morosa. It is pleasant, safe and reliable. Have you a bottle of it in your home? For sale by Kirkland Drug Co.

Cressy was Weaned. A good story was told to us the other day of Conductor Cressy, running on the Independence & Monmouth railroad, who, by the way, is a tip-top good fellow and a joker himself. A traveling man, and eye witness, gave us the facts. As the train pulled out of Dallas one afternoon recently, there was on board a big fat colored mammy with a pickaninny kid about a year old that was about as obstreperous and contrary as any brat could be. The mother coaxed and coaxed and threatened it without success. Finally she opened the front of her dress and exposed her bosom, and produced a "dinner" of generous proportions, but the little brat still continued to squall and refused to be tempted into quietude; then she resorted to strategy. "You bettah eat hol' o' dat dinnah chile, or 'I'll gib it to the conductah." The traveling man in the car let out a shout, while Conductor Cressy said he just had dinner, "dam a rabbit," and in extra stern voice demanded tickets.

Golden Wedding. Mr. and Mrs. F. S. Powell celebrated their golden wedding at Monmouth on Wednesday evening. Their home was nicely decorated for the occasion and friends came in until it was completely filled. A most enjoyable evening was passed. The couple were married in Illinois in 1851 and immediately took passage by ox team for far away Oregon, settling on donation claims in Linn County. They moved to Polk County in 1873. Mr. Powell has always taken an active interest in educational matters and for a long time served as trustee of the old Christian college at Monmouth. He was also representative in the Oregon legislature at the 1880 session. Among the many beautiful presents were a gold-headed cane for Mr. Powell and a set of gold-lined China dishes for Mrs. Powell. Mr. and Mrs. Powell will spend this summer on the farm, he being known as a progressive and successful farmer as well as a man who never shirked his part of a community burden. They have six children, viz: Dr. Jas. M. Spokaney, Rev. P. O. Salem; Mrs. A. M. Arant, John H., Jay F. and Ira C., Monmouth.

Pearl Wedding. Mr. and Mrs. David J. Whiteaker celebrated their pearl wedding anniversary on Tuesday afternoon at their home some two miles north of Monmouth. A large number of friends from Dallas, Monmouth, Independence and other points were present and enjoyed the hospitality of Mr. and Mrs. Whiteaker, who were the recipients of many beautiful presents. The festivities were prolonged to a late hour at night, winding up in a social dance. Whist Club. The whist club met last Thursday evening with Mr. and Mrs. A. J. Goodman. The prize winners for the week were: Mrs. Kutch and Mr. Cleland; Mrs. Butler and Mrs. Conaway. The club was to meet this week with Mr. and Mrs. Kutch.

Public Meeting. A public meeting of the citizens of Independence will be held at the city hall Friday evening, March 29th, at 7:30 o'clock, for the purpose of explaining the bond issue of the city and how investors may obtain them and the benefits to be derived for the city by the sale of bonds. Hon. N. J. Judah, city recorder of Salem, will be present and explain their issue of bonds and the great popularity of their loan. All who are interested in our city's welfare are requested to be present. J. L. STOCKTON, Mayor.

A dispatch from Albany says that it is stated by creamery owners there that an effort is being made by an Iowa firm to buy up all the creameries in Western Oregon and operate them as skimming stations, with Portland as the headquarters for a large and main creamery, and that two or three creameries have been secured. The West Side believes this move to be impracticable. In fact we know of one creamery that the trust will have difficulty in buying. It is not in the trust nor will it be.

To the Deaf. A rich lady cured of her deafness and noises in the head by Dr. Nicholson's Artificial Ear Drums, gave \$10,000 to his institute, so that deaf people unable to procure the ear drums may have them free. Address No. 13134-S, The Nicholson Institute, 780, Eighth Avenue, New York, U. S. A.

The patrons of the Corvallis creamery now receive 2 1/2 cents for butter fat. The output of butter for the past month has been 700 pounds per week. The receipt of milk in the past few days has increased from 2000 to 4000 pounds per day. Waldemar Kaubisch is now in charge of the plant.—Times. Must be mighty poor milk where 3000 pounds makes only 100 pounds of butter. What became of the rest of the butter fat? The Independence creamery would turn out 150 pounds of "Gilt Edge" butter from 3000 pounds of milk. Send Me Their Names. Thousands of Eastern people will take advantage of the cheap rates to the Northwest in effect every Tuesday from February 12 to April 30. They are the lowest in years. If you have any friends who are talking of coming West, send me their names and I will have our representatives look them up—frustrate them with advertising matter—reserve berths—see that they have a quick and comfortable trip. A. C. SHELDON, General Agent, 2-814-30 Burlington Route, Portland

Deaths Cannot be Cured by local applications, as they cannot reach the diseased portion of the eye. There is only one way to cure them, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running ear, or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out, and the tube restored to its normal condition, hearing will be destroyed forever; none comes out of an ear caused by catarrh, which is nothing but an inflamed condition of the mucous surface. We will cure you. We will cure you for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. Hall's Family Pills are the best.

Convention. The annual convention of the Polk County Sunday school association will be held in Dallas, Saturday, March 30th. Rev. C. A. Dotson, and other state officers will be present to assist. Field Worker Dotson comes highly recommended and we are sure to have a feast of good things that you cannot afford to miss. Mrs. W. A. Wash, President. Nasal Catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. Druggists sell the 50c size; retail size by mail, 10 cents. Test it and you are sure to continue the treatment. Announcement. To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price including the spraying tube 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Forty men who have settled on lands west of Dallas under the homestead act met last Wednesday at Dallas and formed an association. It is proposed to construct roads and trails to the several claims, Dallas and Falls City being the initial points. If any trouble should arise in securing title, the homesteaders are to act in unison in pushing the interests of the settler. Hon. George L. Hawkins was elected president, and J. L. Goodfriend secretary of the association.
