When oil is found in paying quantity in the Polk county hills and in other portions of the Willamette valley, the hardest proposition will be to keep it out of the hands of the Standard Oil company, a feat that will be necessary if it is expected to open up an oil industry in Oregon. Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running ear, or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. No case out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one hundred dollars for any case of deafness caused by catarrh that can be cured by Hall's Catarrh Cure. Send for circulars, Dr. J. C. HARRY & CO., Toledo, O. Sold by all druggists.

To Locate Settlers.
A. E. Mauritzen, formerly of Minneapolis, Minnesota, but more recently of Dallas, this county, has established an office with Fred Hest, in Salem, for the purpose of operating a bureau of immigration. Mr. Mauritzen is connected with a big company with headquarters at Minneapolis, and this firm will send emigrants to this place, and it will be the business of this office to locate these settlers on timber land, government claims, or farms, or city property, as they may desire. Mr. Mauritzen's plans as outlined, are upon an intelligent basis and with the co-operation of the head office will bring hundreds of immigrants into the Willamette valley during the coming season. It is not the expectation to locate all of these people but there will be many of them who will make their future homes here.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and anuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 52 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an inflamed and angry surface, relieving immediately the painful inflammation.

With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

The annual congregational meeting of the Presbyterian church will be held today at 2:30 p. m. Business of importance will come before the meeting.

New Estray Law.
The new law in reference to taking up estrays needs to be studied, as there is a provision for a fine of \$10 to \$100 to taking up an estray without complying with the provisions of the act. When an estray is taken up three notices have to be posted. It is provided though that no estrays shall be taken up during the months of May to November inclusive except breach of vicious animals which may be taken up in any month. Within ten days the owner may claim and secure the animal upon the payment of \$1 fee and a reasonable price for keeping it. After ten days the county clerk is notified and the animal is appraised and sold, being advertised in a newspaper if over \$15 value.
