A Terrible Explosion

"Of a gasoline stove burned a lady here frightfully," writes N. K. Palmer, of Kirkman, Ia. The best doctors couldn't heal the running sore that followed, but Buckley's Arnica Salve cured her. Infallible for Cuts, Corns, Bore, Boils, Bruises, Skin Diseases and Piles. See at Kirkland Drug Co.

Quick Relief for Asthma. Miss Maude Diobson, Parsons, Kans., writes: "I suffered eight years with asthma in its worst form. I had several attacks during the last year and was not expected to live through them. I began using Foley's Honey and Tar and it has never failed to give immediate relief." A. S. Locke.

Why not spend the vacation at Yaquina Bay where can be had excellent fare, good fishing, good boating, stirring rides and rambles. The courses and exercises at the Seaside School, at 1001 at Newport, will afford great variety of instruction, diversion and entertainment. No other resort offers equal attractions and advantages.

Edward Hays, a well known business man of Salisbury, Me., writes: "I wish to say for the benefit of others, that I was suffering from lumbago and kidney trouble, and all the remedies I took gave me no relief. I was induced to try Foley's Kidney Cure, and after using one of these bottles, I am cured." A. S. Locke.

The 17th annual reunion of pioneers will be held at Dallas on Saturday. The West Side acknowledges an invitation to be present.

Last Saturday the sun shone forth beautifully. The lack of energy you feel, the backache and a run down condition generally, all kidney disorder. Foley's Kidney Cure will restore your strength and vigor by making the kidneys well. Take no substitute. A. S. Locke.

The ladies' aid of the Baptist church will serve refreshments on July 4th consisting of ice cream, etc., at the corner of Railroad and C streets.

Allen Halverson of West Prairie, Wis., says: "people come ten miles to buy Foley's Kidney Cure," while J. A. Spence of Kansas, Ind., says: "It is the best medicine of the age." A. S. Locke.

The warm weather is rather trying on the younger boys, who must get acclimated at all hazards.

A. O. Blanchard, West Bangor, N. Y., says: "I have been troubled with kidney disease for the last five years. Have doctored with several physicians and I got no relief until I used two bottles of Foley's Kidney Cure." A. S. Locke.

Layton Smith spent the first of the week on a fishing trip to Meadow lake. The fresh coat of white paint makes Mrs. Taylor's barn look almost as good as new.

The West Side prints more general news—foreign, national and state—than other three papers of Polk county combined. Write "My little boy" to a column to a page with "lead" matter, such as free announcements of picnics and of our own wars. If you can't fit in your War Stars, it's no use. And it may happen even if you don't see it in the War Stars. We are not infallible.

William Woodard, of Denton, Ia., writes: "I was troubled with kidney disease for several years and four one dollar size bottles of Foley's Kidney Cure cured me. I would recommend it to all anyone who has kidney trouble." A. S. Locke.

Tuesday night's mail had a rough time getting. It met with delay on the S. P. line near Whiteoak and before reaching the postoffice here went into the ditch from the hand cart.

Cycling has its ups and downs. After the downs, use Banner Salve if your feet are bruised. It heals the burk quickly. Take no substitutes. A. S. Locke.

It seems that the two evening S. P. trains leaving Portland on the west side line met with accident Tuesday near Whiteoak, consequently Independence failed to receive the mail until Wednesday morning.

Irvin C. Rockard, Duncombe, Ia., writes: "My little boy scolded his leg from the knee to the ankle. I used Banner Salve immediately and in three weeks' time it was almost entirely healed. I want to recommend it to every family and advise them to keep Banner Salve on hand, as it is a sure remedy for scalds or any sore." A. S. Locke.

The board of regents of the Monmouth Normal school Tuesday re-elected the entire faculty, and gave Professor Wann a year's leave of absence, his chair to be occupied by P. O. Powell, formerly of Salem. Professor Wann will attend the State University as a student next year. Powell is a graduate of Monmouth and of Yale.

The James M. Ward company, who have so successfully presented the revised "Ten Nights in a Bar Room" at the Central theatre, San Francisco, the 3d Avenue theatre, Seattle, and Corday's in Portland, will appear at the opera house tonight, Thursday, in this excellent play. Mr. Ward's revision will include the greatest sensation of the season, the great social smashing scene, indulged in by a superb impersonation of Carrie Norton, the renowned Kansas emsaher, augmented by a band of temperance workers who always make a big hit in this great scene.

TO CURE A GOLD IN ONE DAY. Take Laxative Bromo-Quinine Tablets. All druggists return the money if it fails to cure. E. W. Groves' signature is on each box. 25c.

"Will wonders ever cease?" Inquire the friends of Mrs. C. Pease, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy spells will find it a priceless blessing. Try it. Satisfaction guaranteed. Kirkland Drug Co. Only 50 cents.

Notice. Kings Valley, Oregon. My wife, Ella, having left my bed and board without just cause or provocation, I will not be responsible for any debts contracted by her on or after this date. Dated June 10, 1901. GABRIEL LONG.

Lippincott's Magazine and the West Side, one year, \$2.25.

The best Prescription for Malaria Chills and Fever, is a bottle of Groves' Tastesin Chilli Tonic. It is simply iron and quinine in a tasteful form. No cure, no pay. Price, 50c.

The posters announcing the fact that Independence will celebrate the coming Fourth of July in appropriate manner have been sent out to the several towns and cities adjoining and no one can plead ignorance.

The programs are not yet ready, but enough is known for the West Side to guarantee that the celebration will eclipse any former one held in this county.

The people from far and near have signified their intention to come en masse. Having been the recipients of our hospitality heretofore, they know that they will receive all the attention necessary to insure them a good time.

Hon. Til Ford, the eloquent speaker from Salem, will deliver an address that will prove a drawing card and which will repay the visitors for coming from far away points; the games and sports will be many and varied; the dancing and fireworks in the evening will be all that is desired; and the several committees are working hard to make this celebration a grand success.

Hon. Joseph E. Sibley, of Dallas, our county judge, will be President of the Day; Dr. Thompson, Chaplain; Prof. Starr, our county school superintendent, reader of Declaration of Independence; William E. Williams, of Airlie, Grand Marshal, with J. F. Groves of Dallas, J. B. NeSmith of LaCroce, James Prather of Buena Vista, and S. B. Walker of this city, as aids.

Holman; she was born in Ray county, Mo., in 1833; married to David Parker January 5, 1854, and started across the plains with ox teams in '55 and came to Polk county, settling near Rickreall where they stayed three or four years, when they moved to what is now called Highland and improved a fine farm and killed the soil until her husband's death, Jan. 28, 1897, when she moved with her only son, Cleve, to Parker Station on the S. P. railroad. The following children survive her: Mrs. Susan M. Miller, Rickreall; Mrs. Fannie Leary, Rickreall; and Cleve R. Parker, the son Mrs. Parker spent her declining years with. Lafalotte, of Gregory Landing Clark county, Missouri. "I was in a bad bad shape that the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth." For sale by Kirkland Drug Co.

A Good Cough Medicine. It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family both for ordinary coughs and colds and for the cough following a gripe, and find it very efficacious." For sale by Kirkland Drug Co.

John Young, secretary of the Greenwood fishing club, says that the club is almost deserted. Gid Phillips is president. At the last meeting of the club charges were preferred against Ed Byers for catching 1 catfish and 75 water dogs. He was found guilty and expelled. A petition is being prepared asking Charley McCauley, deputy fish warden, to import a water snake that will get away with the water dogs.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying, irritating, heating, smokes and snuffs and use that which cleans, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c size. Ely Brothers, 53 Warren St., N. Y.

The balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

What has become of the shooting club? Are the boys too lazy to get out? Corvallis has a team of trap shooters and other little towns are likewise honored; why not Independence. We think there are enough good shots here to "do up" any team in the valley.

The Monmouth band discoursed sweet music on our streets last Saturday.

SIX FRAME BUILDINGS WERE DESTROYED Sunday. Fire broke out at 10:30 Sunday morning in Frank Fisher's store, and by the time the alarm was given the building was enveloped in flames. The two people were quickly fighting the fire, there being no organized department; the postoffice and barber shop adjoining were soon burning, and before the fire could be checked six buildings were destroyed, all being light frame structures. A telephone message was sent over here and the motor having steam up, gathered up all the men available and made a quick run to Monmouth where they had work the residences of L. S. Perkins and J. M. Flynn and the depot were saved.

In the absence of definite statements the following approximate losses and insurance: Frank Lucas, postoffice building, \$1000 750 Frank Fisher, confectionery and stationery stock, 1600 800 Mrs. Hendrick, of McMinnville, store building, 600 300 John E. Miller, barber shop, 300 150 Mrs. J. E. Fraser, residence and office, 900 450 Dr. Rambo, dentist, 100 50 E. C. Kay, of Ferrydale, residence, 500 250 C. E. Force, barber fixtures, 50 25 Others suffered small losses. The origin of the fire is unknown. A "bucket brigade" was all the apparatus available but the boys did excellent work.

W. W. Percival lost 30 fine hogs on Tuesday at McMinnville. The animals were suffocated in a car.
