A crack in the walls of the Isis theatre building was filled up this week. While the building was in no danger of falling in or collapsing because of the crack, it was deemed best to repair it lest someone might think it unsafe to be inside the theatre when it was crowded.

**To All Band Men of Polk.**

We have organized a new band for the Polk County Home Guards and want every band man in the county to come and join. The purpose of the band is to furnish band music for the Guards and all patriotic gatherings that have a bearing on our boys and their allies in France, free of charge. The band has no dues, and no one receives pay for their services. Come and do your bit. The band meets on every Thursday night at 8 o'clock.

### MARY PICKFORD IN "REBECCA OF SUNNYBROOK FARM"

In direct contrast to her more recent characterizations of powerful dramatic qualities, Mary Pickford's next screen portrayal is none other than that of the popular little figure in American literature, "Rebecca of Sunnybrook Farm". During the past year "Our Mary" has received countless requests for her appearance in this famous subject and her picturization of quaint little Rebecca is in direct compliance with popular demand.

Mary Pickford's presentation of "The Poor Little Rich Girl" will live long in the hearts of American picture patrons. In this child part the sweet little actress scored one of her very greatest successes and her adaptabilities to such portrayal were generally conceded to be her most notable accomplishments. However, even greater than "The Poor Little Rich Girl" is Rebecca, who has become a favorite national character in fact, a national type established not only in this, but in other countries as well. Replete with native wit of rural districts and the wholesome charm of untrammelled American girlhood, this story offers Mary Pickford a character that is generally felt, will prove the crowning achievement of her wonderful career.

One of the best sellers of the age, the book by Kate Douglas Wiggin is undoubtedly the most popular work of the well-known writer. On the stage "Rebecca of Sunnybrook Farm", dramatized by Charlotte Thompson and Miss Wiggin, immediately took hold of the hearts of the great play-going public and effected another triumph of the spoken drama. With Mary Pickford in the title role of its screen production, offering the wide scope of the motion picture, however, this subject will meet with even far greater favor than ever before.

At the Isis Sunday, May 26.
