TO MY CUSTOMERS

Your thirty day accounts are very much appreciated at Dickson's Market.

Meat will not cost a cent more per pound than if you were to pay cash for it daily.

Your accounts will be carefully taken care of.

No customer is required knowingly or otherwise to share the bad accounts. (Should there be any.)

That is not my method of collecting such accounts.

I thank you very much for your patronage of the last two years and hope to serve you efficiently in the future.

Yours very truly,
FRANK E. DICKSON.
