Why Japanese Tea is Liked. One feature which marks tea curing in Japan is the proverbial cleanliness which is characteristic of the Japanese people. The rules of sanitation are strictly observed by the tea growers of Japan. Not only the health and sanitation of workers are strictly examined by local tea associations, but also the process of curing is inspected with great care. Japanese teas have never been artificially colored as have been teas from some other countries.

Did You Ever Do This? Visitors or strangers coming into an office are often embarrassed by the discourtesy of office employees who ignore their presence—or wait for some one else to inquire the visitor's errand. Any employee who happens to be near when a stranger enters should address him courteously and ask if he can take a message or be of assistance. The visitor's impression of the employer often is affected by the attitude of the employee.—Biddy Bye.

Portland, OREGON Reward for Right Doing. It is just as impossible to escape the reward of right doing as it is to get away from your shadow, or to accept the light of the sunbeam without its warmth. It is true that the reward is not likely to come as it did in the old-fashioned story books, where the girl who returned a lost purse was adopted into the family. Right-doing brings a reward beyond such dreams. It is as inevitable as gravitation.

Keeping Cut Flowers. Most kinds of cut flowers will keep for a long time if they are completely immersed in water. Place the blossoms in bowls of water every night, and take them out and rearrange them in the morning. The flowers will often appear as fresh as if they had been newly gathered.—Popular Mechanics Magazine.

Get the Habit of Drinking Hot Water Before Breakfast Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Spanish Cedar Sawdust. Some curious uses are found for the better kinds of sawdust. One of these pertains to the Spanish cedar sawdust, which is of extreme lightness. It is employed for packing cheap chemicals contained in glass and shipped for long distances. In this relation there must be taken into consideration the question of weight and freight charges, and so Spanish cedar sawdust enters the equation.

Father Ate It. The proprietor of a Cleveland meat market sold a nickel's worth of dog meat to a small boy, and was told the next day by the boy that the meat was not good, and that his father couldn't eat it. The butcher is now wondering who eats the meat he sells for dogs.

IN MISERY FOR YEARS Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."
—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

COMB SAGE TEA INTO GRAY HAIR Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

IF BACKACHE OR KIDNEYS BOTHER Eat less meat, also take glass of Salts before eating breakfast.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity; also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.

"It may sound strange," said the boarding-house bachelor, "but a lot of men are convinced that the easiest way to win the battle of life is to fight it single-handed."

Cuticura for Pimply Faces. To remove pimples and blackheads smear them with Cuticura Ointment. Wash off in five minutes with Cuticura Soap and hot water. Once clear keep your skin clear by using them for daily toilet purposes. Don't fail to include Cuticura Talcum.—Adv.

Singing Sparrows of Toledo. Out of the fog and smoke and haze of the early morning there came the sweet, plaintive notes of the song sparrow. The man's spirits were droopy. He was influenced by his physical surroundings. Not so the bird. God sent him to sing and he sang through the fog and smoke and haze, and into the heart of the man. Another worker took up the duties of the day cheerfully, with new hope in his soul.—Toledo Blade.

Capable of Anything. Almost everything has been laid to diseased teeth except murder; and one never can tell what might be the outcome of jumping toothache.—St. Louis Globe-Democrat.
