Richest Pearl Fisheries. Although most of the bays and inlets of the remote island groups of the South Seas have been stripped of their pearl-bearing bivalve mollusks by venturesome world-wayfarers, there continues to be found occasionally small areas of these waters that have been untouched by pearl divers and which often yield wealth to the explorers. The richest pearls in the world are those adjacent to the picturesque beach town of Broome.

Bestow Praise Generously. Let us not be niggardly with a word of praise or encouragement as far as our own dear ones are concerned. The world will offer them neither—in fact, it cares absolutely nothing about them. Therefore, if we hope to bring out what is worth while in our children, or if we would make them truly happy, we must become their staunch allies. Otherwise, we are playing a losing game and can only look for defeat.

Writing Without Punctuation. Chinese do not need punctuation or any other mark. It might be doubtful from the foreign point of view whether a language is possible that has done away with punctuation. The fact is, however, that punctuation is no longer necessary for Chinese. The characters, besides performing a function of their own, take over that also of the period, comma, hyphen, interrogation, exclamation mark, etc.

Custom Had Origin Long Ago. The almost universal habit of turning aside the head and suppressing the sneeze or cough has an interesting origin. It is derived from human experience. In the middle ages (and probably much earlier), when frequent plagues of various diseases swept away whole populations in Europe, it was suspected and even believed that infection was conveyed by coughing and sneezing. Hence the adoption of the precaution.

Fireless Cookers That Are Safe. Recently the national board of fire underwriters issued a caution against using wooden pails or tubs to make home-made fireless cookers. To eliminate the danger of fires from these valuable fuel savers, the department of agriculture advocates using ground-up asbestos in place of hay, paper or wool for packing in them. Additional safety may be attained by making the cooker from a tin can.

Horsepower in Water. Each normal horsepower of boilers requires one cubic foot of water an hour.

Burma's Sassaum Crop. Over 500 different types of husked rice or paddy were under examination last year at one of the government agricultural farms in Burma, and over 200 types of sassaum were grown at another. Hitherto much of the sassaum grown in Burma has been exported to Europe, where it is used for the production of the so-called "olive oil," for which France and Italy have long been famed.

EASY TO DARKEN YOUR GRAY HAIR
 You Can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

It Works! Try It
 Tells how to loosen a sore, tender corn so it lifts out without pain.
 No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness. This drug is called freezezone and is a compound of ether discovered by a Cincinnati man. Ask at any drug store for a small bottle of freezezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezezone have him order it for you.—Adv.
