

#### CITY AND COUNTRY

An airplane is being built near Independence.

Stationery to suit every taste at Williams Drug Co.

Dr. O. D. Ireland was here from Portland this week.

Get your fishing tackle at Craven & Huff's and be a real sport.

The Italians are trying to spill the macaroni at the peace conference.

Mrs. Ellen McCready of Corvallis is a guest at the O. D. Butler home.

Peter Kurre has purchased the Wm. McDonald property near his own home.

Dr. and Mrs. Horn were housed under the Bohannon home Saturday and Sunday.

Mrs. Bascue had an excellent Easter patronage and almost every woman in this section has a new hat.

Captain Grover Hinkle of Monmouth has arrived in New York from France. He left America a corporal.

Miss Bessie Swope has been re-elected to her position in the Woodburn schools and also receives an increase in salary.

A number of small children are playing along the railroad tracks which is about as dangerous a thing as children could do.

The French tank drew a large crowd and much attention. It was so completely covered with kids that it was difficult for most people to see it.

Carl Fenton, recently returned from overseas, is dangerously ill at his home in Dallas and it is reported that he has but a small chance of recovery.

State Highway engineers are surveying south from a point between Independence and Monmouth. Many are wondering if the highway isn't going that way.

A good line of shows at the Isis next week. Attend as many as you can. Thursday and Friday nights are extra good. Complete bill on the first page of this Post.

T. J. Fryer reports the first rose of the season and unless other claimants for the honor come forward, he has again won the championship; the second year in succession.

Mr. and Mrs. G. L. O'Neil have been guests of Rev. and Mrs. C. T. Cook. They live at Spokane but spent the winter at Aberdeen, Wash. Mr. O'Neil is a brother of Mrs. Cook.

Aubrey Bascue, U. S. N., arrived tonight from the south and will spend several days here on a furlough. While navy life agrees with him, Aubrey likes to spend a vacation now and then in the old home town.

Miss Gretchen Kreamer has been re-employed as principal of an Ashland school at a substantial increase in salary. She is very popular there and tho she had other attractive offers, they were reluctant to let her go.

#### AIRLIE

Z. A. French is visiting his brother at Boise, Idaho, with a view to locating in that country.

Mr. and Mrs. J. F. Ulrich have presented their daughters, Bernis and Margaret, with a piano.

Former Judge Kirkpatrick, while in Portland last week, told an Oregonian reporter that since the highway passed up Independence, a number were calling this city "East Monmouth." Independence don't care; it "haint so."

#### Told by the Bank Book

#### LINKING FARM AND BANK

**SERVICE** is the element which does this—and that service is found here at the Farmers State Bank. You'll find us morally, and sometimes financially, helping to push that plow, drop the seed, guide the cultivator and assist with harvest and marketing. Let us demonstrate how mutual our interests are.

Our Interest Rate on Savings has been increased to 4 Percent.
