Hardly an Ideal Citizen.

There is a story told of an ancient dandy in London who, taking, one sunny afternoon, his accustomed stroll down Bond street, met an acquaintance hurrying in the direction of Westminster. "Whither away so fast this hot day?" murmured the dandy. "To the house of commons," cried his strenuous friend, brushing past him. "What!" said the dandy, with a yawn, 'does that go on still?"-Exchange.

Gun Barrels. A rather interesting side light on the question of gun harrel life is a time to which a good shotgun barrel

Deservedly Valuable Pen.

One of the best-known pens in the Inited States is owned by Isaac B. Reed of New York, who at one time refused to sell it for \$750. Its value arises from the fact that, aside from having been used by both Lincoln and Grant, it was made from a carved box kept parts of his surveying instruments. The box itself was made from the lid of a desk that belonged to the captain of the Mayflower.

Disorders of the stomach, liver, kidneys, bowels, golire, high blood pressure and female disorders.

It was found that the annual PLUMBING & PLUMBING SUPPLIES from a shotgun the inside of the bar- cost per box for the clean-culture or-We can supply you with any kind of plumbing supplies at wholesale prices. We will gladly estimate cost of any job. The powder charge for about four while under the other system the cost section in his face. "Didn't you adwrete for prices and plumbing supplies at wholesale prices while under the other system the cost section in his face." "Didn't you adwrete for prices are plumbing supplies at wholesale prices while under the other system the cost section in his face." "Didn't you adwrete for prices are plumbing supplies at wholesale prices while under the other system the cost section in his face." was slightly over 79 cents. However, the orchards that were cultivated work?"—Indianapolis Star. yielded on an average 54 boxes per

acre more. When the total of all costs of the 120 orchards studied was considered. there was found to be an annual acre in which young George Washington labor cost, which amounted to 35 cents per box, and the material and fixed costs, which amounted to a little over 45 cents per box. The labor cost up to the time of harvest amounted to a little over 14 cents per box, or 41.08 per cent of the total net labor cost. Spraying is an annual practice, the codling moth probably being the worst enemy. On an average, four sprayings were made per year and the average cost per acre amounted to \$25.14, less than 6 cents per box, 7.27 per cent of the cost of production.

First Thrift Day.

The first "thrift day" in America was August 11, 1915. That was the first time one special day was ever To mend a knife or steel fork which officially set aside for the purpose of has come out of the handle, fill the encouraging attention to thrift. The hole with finely powered resin and day was celebrated in California as hold the rough end of the knife or "thrift day" in response to a proclamfork in the fire until it becomes hot. ation of Governor Johnson. The oc-Insert it in the powdered resin and casion marked the opening of the thrift congress, held at the Panama-Pacific exposition by the American Society, for Thrift.-Thrift Magazine,

Hurrah! How's This

Cincinnati authority says corns dry up and lift out with fingers.

Ouch ! ? ! ? ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati the simple advice of this Cincinnati The most successful solvents are used authority, who claims that a few drops to extract the medicinal properties from of a drug called freezone when applied these herbs.

Every utensil and tank that comes in to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of America's women will welcome this announce-ment since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you.-Adv.

COST OF PRODUCING APPLES TAKE SALTS TO

Eat less meat if you feel Back-achy or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must re-lieve them like you relieve your bowels; removing all the acids, waste sentative orchards in that section, and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizzines, your stomach sours, tongue is coated and when the weather is bad you have of the leading fruit-growing valleys of full of sediment; the channels often get irritated, obliging you to get up

> and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inex-pensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and l'adder diseases.-Adv.

raise a lot of hair."

Time is generally the best doctor .-

How Lydia E. Pinkham's Vegetable Compound Is Prepared For Woman's Use.

A visit to the laboratory where this successful remedy is made impresses even the casual looker on with the reliability, accuracy, skill and cleanliness which attends the making of this great

medicine for woman's ills.

Over 350,000 pounds of various herbs
are used anually and all have to be
gathered at the season of the year when
their natural juices and medicinal sub-

stances are at their best.

contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles. It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine

so successful in the treatment of female ills. The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

No. 25, 1919
