World's Greatest Cataract.
What is set down as the greatest cataract in the world is on the Iguazu river, which partly separates Brazil and Argentina. The precipice over which the river plunges is 210 feet high, that of Niagara being 167 feet. The cataract is 13,123 feet wide, or about two and a half times as wide as Niagara. It is estimated that 100,000,000 tons of water pass over Niagara in an hour. A like estimate gives the falls of Iguazu 140,000,000 tons.

SALTS FINE FOR ACHING KIDNEYS
We eat too much meat which clogs Kidneys, then the Back hurts.
Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.
You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.
Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.
A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
How Chinaman Drinks Tea.
The Chinaman in preparing tea places a pinch of leaves in a Chinese teacup, which is without a handle, pours boiling water over them and places the cover on the cup. In a few seconds the tea is ready for drinking; the covered cup is raised to the mouth, and, with the fingers of the hand holding the cup, the lid is moved just sufficiently to permit the liquid to flow into the mouth as the cup is tilted.
Watch Cuticura Improve Your Skin.
On rising and retiring gently smear the face with Cuticura Ointment. Wash off Ointment in five minutes with Cuticura Soap and hot water. It is wonderful sometimes what Cuticura will do for poor complexions, dandruff, itching and red rough hands.—Adv.
The Fly and the Flea.
A fly and a flea in a flue were imprisoned. Said the fly: "Let us flee." said the flea: "Let us fly." So they flew through a flaw in the flue.

Allen's Foot-Ease Does It.

Where Gold is Found.
India's production of gold is principally from Mysore. Russia is the oldest gold-producing country in the world. Mining is carried on principally in the Ural mountains, but climatic conditions impede progress. Mexico has many mines, but labor troubles have a restrictive influence on the industry. Other countries which produce gold in small quantities are China, Japan, Chile, Peru, Persia and Hungary.
Daily Thought.
There is no better ballast for keeping the mind steady on its keel and saving it from all risk of creakiness than business.—Lowell.

"BEST MEDICINE FOR WOMEN"
What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.
Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best saw."—Mrs. SARA SHAW, R. No. 1, Portsmouth, Ohio.
Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.
Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years experience is at your service.
