**Sudden Cold Kills Fishes.**  
It has been proved that sudden cold  
sometimes causes the death of thou-  
sands of fish in the shallow waters of  
the tropics and subtropics. Many spe-  
cies are so chilled as to become help-  
less, and either killed directly by  
drowning or are washed ashore in a  
comatose state. The phenomenon is  
known locally as "freezing," although  
the temperature of the water may be  
several degrees above the freezing  
point.

The frequent repetition of any fa-  
cial expression causes permanent al-  
terations in the expression, and these  
correspond with, and suggest to the  
beholder, the emotional state that has  
predominated; so that the man who is  
always laughing comes to look "a jolly  
man," the thinker a thoughtful man,  
and the woman who worries begins to  
wear a worried look that persists.

can it bestow sovereignty on man?

## IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is sign you have  
been eating too much  
meat.

When you wake up with backache  
and dull misery in the kidney region  
it generally means you have been eat-  
ing too much meat, says a well-known  
authority. Meat forms uric acid which  
overworks the kidneys in their effort  
to filter it from the blood and they  
become sort of paralyzed and loggy.  
When your kidneys get sluggish and  
clog you must relieve them, like you  
relieve your bowels; removing all the  
body's urinous waste, else you have  
backache, sick headache, dizzy spells;  
your stomach sour, tongue is coated,  
and when the weather is bad you have  
rheumatic twinges. The urine is  
cloudy, full of sediment, channels of-  
ten get sore, water scalds and you are  
obliged to seek relief two or three  
times during the night.

Either consult a good, reliable physi-  
cian at once or get from your pharma-  
cist about four ounces of Jad Salts;  
take a tablespoonful in a glass of water  
before breakfast for a few days and  
your kidneys will then act fine. This  
famous salt is made from the acid of  
grapes and lemon juice, combined with  
lithia, and has been used for genera-  
tions to clean and stimulate sluggish  
kidneys, also to neutralize acids in the  
urine so it no longer irritates, thus  
ending bladder weakness.  
Jad Salts is a life saver for regular  
meat eaters. It is inexpensive, cannot  
injure and makes a delightful, efferves-  
cent lithia-water drink.
