**CORNS LIFT OUT WITH FINGERS**

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezezone applied directly on a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.  
 A small bottle of freezezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.  
 If your druggist hasn't any freezezone let him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.

 The Braganza diamond is a great mystery. Very few people have ever been allowed the privilege of looking at it, and of these few some are of the opinion it is not a diamond at all, but merely a wonderful specimen of white topaz.  Should Read Mrs. Monyhan's Letter Published by Her Permission.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, some days I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia, I had gained in strength and was able to go around and do all my housework. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. PEARL MONYHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.
