“Get this straight”
says the Good Judge

The tobacco that gives you the most lasting chew is the kind that saves you money. You don't have to take so many fresh chews. The rich tobacco taste stays right with it. That's why you take a smaller chew.

PROGRAM FOR THE WEEK

SUNDAY, OCT. 19—**WILLIAM S. HART** in “The Money Corral.” They overpowered the watchman, battered in the huge door and thought the coast was clear. But when they tried to touch the money they found someone waiting for them—someone who could shoot the date out of a dime in mid-air. The police came but “Big Bill” didn't need them—finished the job before they got there. Come and see the fight!

MONDAY, OCT. 20—The Fourth and Fifth episodes of “THE LOST EXPRESS.” The famous beauty **EDNA GOODRICH** more beautiful than ever—radiant with charm in “Treason.” How a thoughtless jealous woman betrayed her country to the enemy.

TUESDAY, OCT. 21—The **HOWARD FOSTER PLAYERS** in spoken drama. **MARY MacLAREN** in “A Model's Confession.”

WEDNESDAY, OCT. 22—**HOWARD FOSTER PLAYERS** in silent drama. **ETHEL CLAYTON** in “Vickey Van.” A story of love and mystery. Did Ruth Schulyer, forty years younger than he, want to get rid of her old, grey husband? It looks that way up till the minute that you get the shock that makes you mighty glad you came. “Love's False Faces.” It's one of those Mack Sennett ring-around-the-mulberry-bush affairs. A big night.

THURSDAY, OCT. 23—**HOWARD FOSTER PLAYERS** in silent drama. **HARRY CAREY** as the man who promised his mother he wouldn't shoot in “Bare Fists.” A most exciting Western picture—a big, human, thrilling story full of heart interest that winds up with the most breathless scene of an honest man taking his honest revenge. It's great.

FRIDAY, OCT. 24—**DOROTHY DALTON** in “The Homebreaker.” She could sell snowballs in Sitka but she couldn't sell her sweetheart the idea that she didn't want to share his attentions with some jane. A story of a saleswoman who stacked up against the best men on the road and won easily, but found it hard to win out with her own best pal.

SATURDAY, OCT. 25—**LUCILLE LEE STEWART** in “The Eleventh Commandment.” The usual big Saturday night show.

SUNDAY, OCT. 26—**MARGUERITE CLARK** in “Lets Elope.” How a married woman eloped.

ARE PREPARING TO CELEBRATE ARMISTICE DAY

Tuesday, November 11, being Armistice Day, the American Legion boys are anxious that the occasion be fittingly celebrated in Independence and with that aim in view have appointed a committee of five to consider the matter and make a report at a meeting to be held next Thursday night.

Armistice Day will be celebrated thruout the world and Independence can take part in it without much effort or expense.

CLINTON BAUN AND MISS HILDA HILKE WED.

Dr. H. Chas. Dunsmore united in marriage Sunday noon, Mr. Clinton Baun and Miss Hilda Rose Hilke. The ceremony took place at the home of George Baun in the presence of relatives. The young people will make their home in Independence. Mr. Baun is engaged with his brother in the livery business in Independence and is noted for his thrift and good judgment. He is a veteran of the World War and spent several months in France with the boys in khaki. The young lady he won for a bride is the daughter of Mr. and Mrs. Frank Hilke and during her residence here has won a large number of friends by her estimable character and charming qualities.

Mr. and Mrs. Baun have the well wishes of the community.

“MIDNIGHT ROMANCE” MAKES A HIT.

“The Midnight Romance” with Inita Stewart leading at the Isis was one of the best productions shown here this year. There has been so many requests for its return that the picture will probably be brought back a few weeks hence. The Isis has booked four others of Miss Stewart's pictures which will appear within the next ninety days.

PASTOR AND WIFE GIVEN RECEPTION.

Friday evening the members of the Methodist church gave a reception for Rev. and Mrs. Cook in the church parlors. A large gathering was present to welcome Rev. and Mrs. Cook on their return to the church here. They are very popular with the congregation and with the general public. During the evening the refreshment committee served a very substantial lunch.

INDEPENDENCE PEOPLE UP IN THE AIR.

Lieutenant Franzeen was in Independence for a couple of days with an airplane and was giving our citizens a chance to “go up” at ten dollars per. A number accepted the invitation and others will do so next Sunday when Franzeen will be here again. A landing place has been established in the north part of the city and is known as “Nelson Field.”

Ross Nelson was the first Independence man to take a ride. Concerning the flight Mr. Nelson says: “Words cannot describe the enjoyment one derives by leaving the world and sailing in the pure and healthful atmosphere of the clouds. There's no particular sensation about it, except for the delight and the entertainment one gets in seeing the beauties of earth and nature from the top. It makes a grand picture for the eye—the beautiful Willamette wending its way thru a valley bordered by the hills and the majestic peaks of the Cascades standing as silent sentinels in the distance.

“Many wish to know how far one can see. That depends greatly upon atmospheric conditions and the imaginative faculties of the traveler. It would not take much of an expert to see the Stars and Stripes floating on the north pole, to see a pretty little French widow in France writing a letter to Al Kullander, to see a pair of boa constrictors courting in the tall trees of Brazil and to see Chinese children playing leap frog over the great wall of China. I will neither affirm nor deny that I saw all this—but I did see hundreds of square miles of Oregon which is as good a picture as even the angels ever see.”

SUVER YOUNG PEOPLE MARRY.

Fred D. Townsend and Miss Gladys C. Cooley, both of Suver, went to Dallas on Wednesday and were married by Rev. C. P. Johnson.

WARREN COMPANY MOVES TO RICKREALL.

(Monmouth Herald.)

The Warren Company has moved its equipment from Monmouth and established the same in the neighborhood of Rickreall. Incidentally they have cleaned up the ground on which their works were located and have left it in much better shape than it was when they moved onto it.
