"Here's a Friendly Tip" says the Good Judge

Men who know tobacco, chew the best without its costing them any more. They take a little chew and it's amazing how the good taste stays in a rich, high grade chewing tobacco. For lasting tobacco satisfaction, there's nothing like a small chew of that rich-tasting tobacco.

MARION MAN BUYS PROPERTY HERE

George Lorentz of Marion county has purchased the residence property of G. H. Huntley and also what is called the "Whiteaker peach orchard." Mr. Loretz and family will become residents of this city.

FOR EIGHT STRAIGHT NIGHTS

Never before has this theatre presented such a string of Great Stars and Great Pictures. Look at this program!

SUNDAY, OCT. 26—MARGUERITE CLARK in "Let's Elope." Her husband bored her so badly that she yawned every time he set foot in the house. So she turned her attentions to a young man who sipped honey from every new flower. But he too was tied up—engaged to a widow who didn't want to let go. Then her husband and "the other man's" fiancé put their heads together and—figure it out yourself. It's a corking entanglement.

MONDAY, OCT. 27—The Sixth and Seventh episodes of "THE LOST EXPRESS." The Oregon girl, MARGARITA FISHER in "A Square Deal." A play of intense dramatic appeal—built on one of the real problems of marriage—with touches of Fisher comedy. Three of the most common ways in which divorces happen and one very striking method of dealing with marital estrangement.

TUESDAY, OCT. 28—PRISCILLA DEAN in "The Wicked Darling." Folks, here's a real photoplay treat! A perfectly wonderful love story told in a way that will make you grip your seat and hold your breath—played so well you'll never forget it. In "The Wicked Darling" Priscilla Dean is the most delightful young imp who ever picked a pocket or stole a heart.

WEDNESDAY, OCT. 29—SHIRLEY MASON in "The Final Close-Up." She thought her life would be grand if things went for her "the way they do in the movies." Oh boy, oh boy! She lived a life and had thrills that make the ordinary movie "she-ro" look tame. Get in on this, you movie fans! **MRS. SIDNEY DREW** in "Bunkered." She was some "fixer" of the old gag, "It's all right for men, but not for women."

THURSDAY, OCT. 30—HARRY CAREY in "A Woman's Fool." He'd fall for a shirt every time and that's why he give a Denver "biscuit shooter" a chance to lead a better life by marrying her. In fact, he was such a fool that it took him nearly a year to find out that she already had one husband and a baby. Things looked mighty glum around the corrals until the night of Broncho Buster's ball. Then the clouds rolled away and the sun came out.

FRIDAY, OCT. 31—CHARLES RAY in "The Busher." A great baseball story. They were battling Charlie all over the lot until the manager found out he was homesick for his girl. Then Charlie was told to chase it for the bushes and he did. But say the come back! Why that boy even had Ty Cobb walking back to the bench. Charlie had both the nerve and the girl and that combination couldn't be beaten. Fill up the bleachers you baseball bugs!

SATURDAY, NOVEMBER 1—SESSUE HAYAKAWA in "The Courageous Coward." A drama of intense emotion laid in the Oriental quarter of Frisco with the Jan in the role of a prosecuting attorney. Threatened with death for his determined prosecution of a dive keeper, he finds the prisoner innocent and accepts ostracism as a coward rather than break the confidence of a friend.

SUNDAY, NOVEMBER 2—DOUGLAS FAIRBANKS in "The Knickerbocker Buckaroo." Said by the critics to be Doug's best. It sure is great!

STATE FEDERATION PRESIDENT VISITS INDEPENDENCE CLUB

The first social meeting of the Civic Club was held at the beautiful home of Mrs. K. C. Eldridge Wednesday afternoon. For the occasion Halloween novelties, suggestive of the approaching season, were effectively used thruout the spacious home. Jardeineres of golden hued marigolds, bowls and hanging art baskets filled with smiling nasturtiums blended prettily with the scheme and formed a most pleasing setting for the large gathering of club women.

The most important feature of the

afternoon was a talk by Mrs. Ida B. Callahan, of Corvallis, the newly elected president of the Oregon Federation of Womens Clubs. Mrs. Callahan immediately won her listeners. She said: "In the new days that are at hand the field for women's activities will be broader for all time. That nothing holds us in such readiness for community service as women's organizations." She said too much stress could not be laid upon community singing. She urged the local club to start a community club house. Independence club women especially, appreciated this visit because we are the first

COMPANY K TO HOLD BIG STREET CARNIVAL

Company K., Oregon National Guards, the local organization which has helped considerably to give Independence publicity over the state, will stage a street carnival next week starting Wednesday and ending in an evening of frolic Saturday. The dates are Oct. 29 to November 1 inclusive. There will be all the usual gaieties of a carnival including a ferris wheel, merry-go-round, shows, etc. The boys have secured the services of the Arnold Amusement Co. which will be here with its full equipment of joy makers, fun producers and gloom chasers.

The carnival is being staged for the benefit of Company K. and its officers and members will kindly appreciate the assistance and patronage of the people of this section. To maintain the company and keep it in Independence requires considerable expense each month and the only way to meet such expense is to depend upon the generosity of liberal hearted citizens of this particular community. The boys feel quite sure that the financial returns of their venture will prove that the home folks are for them good and strong.

GRAVEN AND HUFF DISSOLVE PARTNERSHIP

The Craven & Huff Hardware Co. is no more for on Wednesday of this week, W. M. Huff, the junior member retired and the firm henceforth will be known as "Willard E. Craven, Hardware," with Willard E. Craven as principal stockholder, which of course gives it the necessary financial stability and insures to the public the same service and satisfaction.

Mr. Huff has accepted a position with a Spokane firm as a traveling salesman and will leave today for that city to begin his work. Mr. and Mrs. Huff leave Independence with the best wishes of all. During their residence here they have been enthusiastic boosters for the city, its growth and development. They leave a host of friends.

Willard E. Craven, who will continue to do business at the old stand, is a live wire all the time, is very popular with every one and will continue to enjoy the confidence and esteem of the store's many patrons.

ARMISTICE DAY CELEBRATION NOVEMBER 11

At a meeting of citizens held Wednesday night it was decided to celebrate Armistice Day (Tuesday, Nov. 11) in due form. Committees were appointed, who have gone to work to arrange for the "doings" of the day. More definite information will be available next week.

L. R. HILL IS NOW HIGH MAN

L. R. Hill, most commonly referred to as "Dewey," is now ahead of the local hop growers as far as receiving the highest price for his crop is concerned. On Wednesday, Mr. Hill sold 29 bales—his 1919 crop—approximately 5800 pounds for 85c. per pound. "Dewey" is such a socialable chap that we wish he had had 58,000 pounds instead of 5800.

W. S. GRANT FALLS AND BREAKS LIMBS

W. S. Grant, who recently moved from Independence to Portland, was seriously injured in that city on Monday while engaged in carpentering. He fell fifteen feet and suffered a broken arm and foot. Mr. Grant lives at 916 East Yamhill street.

MONMOUTH VOTES \$60,000 FOR WATER SYSTEM

On Tuesday the people of Monmouth by a big majority voted to issue bonds in the sum of \$60,000 for the purpose of installing a gravity water system. The water will be piped from Teal creek, a distance of eleven miles. At the same election six amendments to the city charter also carried.

LIVE WIRE KILLS MAN AT DALLAS

T. G. Armitage, an employee of the Mountain States Power Co., was instantly killed at Dallas last Friday night by coming in contact with a high power wire.
