Want to Be a Salesman? Write Parks Bros.
Farmer's Son Succeeds
 I'm a farmer's son. I've always wanted to be a salesman. That's why I'm now selling Parks Bros. Quality Groceries wholesale to the farmers. We save them 20 per cent. We guarantee "satisfaction or money back." The business grows each year. I've started several friends, farmers' boys, who earned from \$250 to \$300 a month the first year. The second year they earn more—\$300 to \$400 monthly. They succeed because they work as earnestly in selling as in farming. They were trained at Parks Bros.' expense. Do you want such a job? Write me your age, what work you've done. I'll tell you how to get it.

Apostle Spoons.
 Apostle spoons, also called "gossip spoons," were gilt spoons given by the sponsors or "gossips" to a child at its christening. They were so called because each spoon had a figure of an apostle on the handle. Wealthy people gave the whole twelve Apostles; those of less means and generosity gave the four Evangelists; while poorer persons had to be contented with one, being generally the figure of the donor's or of the child's patron saint.

NAME 'BAYER' MEANS ASPIRIN IS GENUINE

For Pain, Colds, Neuralgia, Toothache, Headache

You want relief—quickly and safely! Then insist on "Bayer Tablets of Aspirin" stamped with the "Bayer Cross." The name "Bayer" means you are getting genuine Aspirin prescribed by physicians for over eighteen years, and proved safe by millions of people. For a few cents you can get a handy tin box of genuine "Bayer Tablets of Aspirin," containing twelve tablets. Druggists also sell larger "Bayer" packages. Aspirin is the trademark of Bayer Manufacture of Monoaceticacid-ester of Salicylicacid.—Adv.

 "Yes, when there's a party," replied the infant terrible.—Boston Transcript.
Safety Fire Escape.
 A woman has invented a fire escape for dazed and frightened victims. It consists of a seat and footboard fastened together by ropes like a swing. For further protection there is an extra loop of rope which slips over the head and tightens about the body.

LISTEN TO THIS!
SAYS CORNS LIFT RIGHT OUT NOW!
 You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callous stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.
 A small bottle of freezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.
 If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.—Adv.
