There are so many bursted pipes, coils, radiators, etc., that women are phoning to town to see if they can locate some comfortable rest rooms. One lady, who declares as fast as she gets one "burst" repaired, there are two more, says Williams Drug Store offers surcease and the public library, too, presents a very comfortable appearance. Mrs. Skinner has been on the job all the time with the exception of one half day.

On account of weather conditions the Civic Club was forced to abandon the social meeting which was to have been held at the home of Mrs. C. O. Sloper Wednesday afternoon. An excellent program had been arranged for the session but some of the entertainment will be held over for the first meeting in January. The program, however, will be subject to changes and to enlargement. The calendar committee will endeavor to have the year's program made out for the first meeting in January, when the Club will launch many movements of public interest.
