## How Ed Paid His Debts

Ed had a farm, but wasn't a farmer. Traded for a livery stable, but wasn't a liveryman. Traded stables twice; had a team and buggy left. Buggy full of debts—no way to pay them. A good friend said: "Get a job selling Parks Bros. Quality Groceries Wholesale to the Farmers. 'Satisfaction or Money Back' guaranteed. You can save them 20% and make good money yourself." Now—Debts paid. Earning twice the money ever before. His wife wears the smile that won't come off. She says "I'll always be thankful to you for making a salesman out of Ed." Do you want to earn as much? Write me your age and what work you have done. I'll tell you how.

Cultivate repose of manner, calmness, quietness, emotional control, if you want to grow in personal influence over your fellow men. Poise by no means constitutes the whole secret of personality. But it is an important element in it. If a choice has to be made between two leaders, one well poised, the other excitable, there can be no question as to which will be chosen. Always poise, with its unconscious revelation of well controlled energy, will carry the day.

"Fall in" is an old military command, originating in the idea of giving up individuality, and becoming part of the military machine, when in line. Fall means more than "tumble," as for instance, "to fall from grace," "to fall asleep," "befall," etc. It is also used in the sense of classifying, "to fall into place," which may give the derivation desired.

Everybody is familiar with the old superstition of sailors that, to bring a favorable breeze, they must whistle during the calm. From the remotest times there seems to have prevailed a belief that libation or sacrifice would placate the storm spirits and induce them to permit the vessel to proceed unmolested on its course. Russian sailors have been known to pour oatmeal and water over a rocky promontory in order to obtain a wind favorable to their designs.

## CREAMERY RESULTS

**HEALTH TELLS IN PROFITS**

Decide right now to put your dairy on a profit basis. Go after 100% health in your milk cows.

You do not need a veterinary for most of the ailments common among dairy cows. Bacterin's Bredal, Aterbion, Last Aspetia, Scouring, "Bacterin" etc., are ready always and direct result of impaired organs of digestion and reproduction.

You can successfully treat and eliminate these diseases yourself with the aid of Kow-Kure. This well-known cow medicine acts directly on the affected organs and promptly restores a normal condition. Take care of your backward cows and put it to the test.

Buy Kow-Kure from your feed dealer or druggist; 60c. and \$1.20 packages. Send for our free book, "THE HOME COW DOCTOR"

Dairy Association Co.,  
Lynsabee, Vt.

**NAME 'BAYER' MEANS ASPIRIN IS GENUINE**

For Lumbago, Backache, Pain, Rheumatism, Stiffness

You want relief—quickly and safely! Then insist on "Bayer Tablets of Aspirin" stamped with the "Bayer Cross." The name "Bayer" means you are getting genuine Aspirin prescribed by physicians for over eighteen years, and proved safe by millions of people.

For a few cents you can get a handy tin box of genuine "Bayer Tablets of Aspirin," containing twelve tablets. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoacetic-acidester of Salicylicacid.—Adv.

Never permit a costive tendency to develop into a habit; but if the habit exists have recourse at once to Garfield Tea.—Adv.

**Minute Men.**  
The Minute Men were a class of citizens pledged to take the field at a minute's notice. They were first known during and immediately previous to the War of the Revolution and afterward at the beginning of the Civil war. Sometimes they were regularly enrolled as militia.

Tribute to the Press  
Millions have no literature but the press. It is parents, school, pupil, theater, example, counselor, all in one. Let me make the newspapers and I care not who makes the religion or the laws.—Wendell Phillips.

A scientist says that cholera germs look like a comma. Possibly, but when they get into a man's system they are apt to put the final period to his existence.

Garfield Tea, by purifying the blood, eradicates rheumatism, dyspepsia and many chronic ailments.—Adv.

Watch Cuticura Improve Your Skin.  
On rising and retiring gently smear the face with Cuticura Ointment. Wash off Ointment in five minutes with Cuticura Soap and hot water. It is wonderful sometimes what Cuticura will do for poor complexions, dandruff, itching and red rough hands.—Adv.

Indispensable but Undesirable.  
What is that which I have not, which I do not wish to have, and yet if I had it I would not part with it for anything?—A bald head.—Edinburgh Scotsman.

Ouch ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn, or hardened, callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.  
He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of America's women will welcome t's announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you.—Adv.
