Don't Be Handicapped

THE man without a bank account occupies just that position. He seldom is able to accumulate sufficient cash with which to carry out his plans—and his credit is nil.

The building up of a bank balance at the Farmers State Bank adds to your ambitions, to your efforts and to your resources.

FORD THE UNIVERSAL CAR

Closed Car Comfort

The closed car drivers are the comfortable drivers in Oregon.

one inside—even the baby—is comfortable, warm and free from drafts.

Watch them as their cars go past. Instead of heavy coats and gauntlets, they can ride without coat or gloves in the coldest weather. Regardless of rain, or cold, no curtains are necessary and yet the driver has a clear vision in all directions, while every-

All dust in summer can be kept out, and on the few extremely hot days, with windows open, the ventilating windshield and freely circulating air insure coolness, while the top shades you from the sun.

The enclosed car is the comfort car for Oregon. The Ford Sedan and Coupelet bring all the closed car advantages within the reach of everyone. With self-starter, demountable rims and extra tire carrier, the Ford Sedan costs only \$875.00 and the Coupelet only \$750.00 F. O. B. Detroit. Ford efficiency production methods make these fine closed cars lower in price than other open cars.

What more can you ask? What more do you want or need than the sturdy strength and indomitable energy of the Ford car with the comfort and luxury of an enclosed type body and the Ford self-starter? Place your order now to assure delivery because of the heavy demand.

PEOPLE WEARY OF POLITICS

(From Henry Ford's Dearborn Independent.)

Political parties have been small close corporations of politicians who have vied to "sell" themselves to the public at election time. They were reasonably sure that if one corporation did not get the votes, the other would. But they are not so certain now. The people are no longer willing to have their voting limits fixed by any "national committee." They are more interested in problems than in parties, and in cures than in candidates. Professional politics is out of favor.
