### Baptist Church Announcements

There is always something worth while going on at the Baptist church. Next Sunday will be a good day for you to go to church and thank God and worship Him for sending us this much needed rain. We will have to admit when it comes to that we are helpless—we cannot create rain. Therefore, since God sends us these blessings don't be so stony hearted and stay at home. Don't be so selfish and ungrateful and not even show your appreciation by not going to church. Our Sunday School meets at 10 a.

### Methodist Services

Sunday being the second Sunday of June, will be Children's Day. The Sunday School scholars are preparing a program to be given at 11 a. m. It will be good and well worth the time spent hearing the little folks. Come and enjoy the hour. At 8 p. m. the sermon on the subject "Striving Spirit" will be explained. Come and find how you are related to God in this respect. Sunday School at 10 a. m. All classes full. You are cordially invited to these services.  
C. T. COOK, Pastor.

## SUIT YOURSELF MEN

You suit yourself when Kreamer suits you. He is not going to sell you anything that you do not like nor is he going to tell you that you look well in a suit when you don't nor will he tell you a suit fits when it doesn't. It's you to suit when you buy a suit from Kreamer. Sure, if you ask his opinion, he will honestly give it whether it means a sale or not, but otherwise you suit yourself and make your own selection.

New goods are weekly being received and if you were in the store a month ago and found nothing you liked, why drop in again tomorrow and probably you will find just exactly what you want.
