Just What I Need
Says Mr. R. Sturdivant,
490 Clay Street,
Portland, Oregon,
Who writes:
"I am now getting close to forty years of age, and up to my thirty-fifth year, I had never known a sick day. Just about this time I began to be troubled with constipation and biliousness, and it was not long before the trouble became so aggravated that I felt almost unable to stand up under the heavy work that I was compelled to do in one of our local steel plants. I hardly knew what a full pay check looked like. I tried everything that was recommended to me, and none of them afforded me any more than temporary relief, and they always left me worse off than I was before.
"Several months ago, a friend of mine told me to get a bottle of Bark Root Tonic and give it a trial. I did so, and I will never again be without it. It is just what I needed, and I believe that it has permanently cured me.
"I would not hesitate to recommend it to anyone who is suffering as I was, and if you desire to publish this letter you have my permission to do so, as I feel that I owe a debt of gratitude to your wonderful tonic."

The basking shark is found in northern seas, occasionally straying southward to our coasts, and the whale shark seems to have its principal habitat in the Indian ocean, though stragglers have turned up as far away as the shores of Florida. One such mounted is on exhibition at Miami and will repay a visit to anyone who chances to be in that vicinity.
