DRESSING THE BOY

We are making a specialty of dressing boys these days. If you see a tastily dressed youngster around Independence now it's ten to one that Kremer fitted him out. Hat or cap, shirt, collar, tie, coat, pants and shoes. From the top to the bottom this store can dress a boy. We not only fix him for Sunday school, party or visit, but for ordinary everyday wear—clothing to knock around in—again this store is a sure bet. Most every boy is rough on clothes and realizing this failing of young America, Kremer has in stock a line of tough suits, pants and shoes that will wear and wear well. Prices on all grades of clothing are very reasonable. Bring in the boy.
