

Know the Facts

About

The Fordson

The Fordson has a clean cut kerose

ene motor.

The Fordson is light and strong

and is so constituted that the

greatest percentage of the pull of

of the motor goes thru its draw

bar to the implement. There is

not an idle ounce for the motor to

move. So

to Newport last week end

to spend the time with his

family, who with Mrs. Guy

Walker, are cottagers at

the beach. They expect to

return home Sunday.

Knowing that good live

stock in an asset to any

community, the Farmers

State Bank proposes to

lend financial aid to any

reputable party who de-

sires to purchase delictred

stock of any kind.

Even the bachelors are

buying homes in Independ-

ence. Now comes A. L.

Kublander and purchases

residence on F street be-

tween Third and Fourth.

Will wonders never cease!

Mrs. Alpha Basque re-

turned Wednesday from

Portland where she had

been attending the Fall

millinery opening. Mrs.

Basque reports a pleasant

and profitable time with a

delightful week end spent

at Seaside.

NASH TRUCKS

INDEPENDENCE DALLAS

Auto Utilities Co.

Morris & Company, The Standard Oil Company, The Palmolive Com-pany and The American Steel Foundries are among the nationally known firms using Nash Trucks

Nash Trucks are equipped with elec- tric lights and starters. The electric lights enable them to perform satis- factorily at night as well as by day and the starter saves fuel because the driver can shut off his power when the truck is left standing and start again with no effort on his part.

REALLY A LUCKY HAPPENING

Quoted Thumbs' Taught Mr. Bings

Many Things He Had Not Previ-

ously Thought Of.

Jonathan Bourne, Jr., read of

the Republican Publicity associa-

tion, said at a dinner, apropos of a

"We learn from our misfortunes

we are, or should be, like Mr. Bings.

"I busted my thumb with a ham-

mer yesterday," said Mr. Bings.

"What a misfortune!" said his

friend Bangs.

"Misfortune? Nothing of the

kind. And Mr. Bings smiled

bravely. "That accident is one of

the best things that ever happened

to me. It has taught me, you see, to

appreciate my thumb. I never knew

before how valuable it was. Why,

sir, I have already found out that

there are 376 things for which I use

it a single grateful thought. Here,

the Arch Sloper residence taken

and Mrs. Smith have taken

Mrs. Will Mattison has

moved from the Vernon

mouth street to the prop-

erty residence on Mon-

mouth street. Mr. and

Mrs. Nora Mattison

are being felicitated on the

birth of a son who arrived

at 1:20 last Sunday after-

noon. The youngster has

been christened Zane Que-

tin. With the combination

novelty and the hero son of

pharmaceutical inclinations

that he may acquire from

the father, we have every

reason to believe he will de-

velop into wonderful man-

hood. The latest bulletin

reports the maternal grand

parents, Mr. and Mrs. G. W.

Girard as having normal

temperature. The mother

is doing nicely, but the fat-

ter is hardly able to com-

ound drugs.

Serv. Chris Burtlett, a

member of the thirteenth

field artillery, recently sta-

tioned at Camp Lewis, is in

Independence on a ten days

tour to Hawaii and will

return to Portland.
