POST HAS AN INVALID

The principal piece of machinery used in the making of The Post was taken ill about ten days ago, and is lacking ninety per cent of its proficiency. The many prescribed, experts and otherwise, it was not discovered until yesterday the nature of the ailment. Not enough nourishment goes into its esophagus to sustain it in its usual function. The only cure apparently is in Brooklyn, N. Y., from whence it came, and the word has gone there to hurry on the cure so The Post can get back to normal; meanwhile we limp along.

ALBERT L. KULLANDER AND MISS FERN SEAMAN WED

Albert L. Kullander, popular Independence jeweler, and Miss Fern Seaman, accomplished daughter of Mr. and Mrs. William Seaman, were joined in the holy bonds of matrimony by Dr. H. C. Dunsmore Sunday morning at the Presbyterian manse, those in attendance being Miss Caroline Seaman and Glen Smith. Immediately after the nuptial knot was tied, Mr. and Kullander departed for Portland to spend a few days honeymoon. About Oct. 1 they will occupy their home on F street.

Mrs. Kullander has grown to womanhood in Independence and is highly esteemed by every one in the entire community. Mr. Kullander has been in Independence for a number of years, at first being employed as a jeweler by O. A. Kreamer. When the world war began, he promptly enlisted and served until after peace was declared, a greater portion of the time in France. Upon his return home he went into the jewelry business for himself. He is prominent in lodge circles and is commander of Independence post, American Legion.
