

**MOTOR  
NASH  
TRUCKS**

Nash Trucks are equipped with electric lights and starters. The electric lights enable them to perform satisfactorily at night as well as by day and the starter saves fuel because the driver can shut off his power when the truck is left standing and start again with no effort on his part.

Morris & Company, The Standard Oil Company, The Palmolive Company and The American Steel Foundries are among the nationally known firms using Nash Trucks

Homer Wood "set up" the ice cream to the pickers Saturday afternoon when they finished his acreage of baby hops. Next year they will not be able to pick his yard so quickly as they did this year.

Four generations sat side by side at the Isis one night this week, and quite a number spoke of it. Those in line were Mrs. Sarah Nelson, Mrs. O. D. Butler, Dr. M. J. Butler and Marlow Butler. They did not come to the theater together and the line party was quite by accident.

**See The Well Dressed School Boy**

Don't you remember the old primer which started in with "Do you see the cat? I see the cat, etc." When you go to school now do you see the well dressed boy? He got his clothes at Kreamer's. He looks fine and dandy, all the time "dressed up." He will acquire his education a great deal easier than some youth, ragged and dirty, who spends some of his time envying his more fortunate school mate. Any parent can afford to keep his boy "dressed up" for school. He can also teach him how to care for his clothes. Try it and see how it goes. Bring the boy to Kreamer's tomorrow and fit him out. Then put him on his honor to care for his clothes and he will make good.

**Methodist Services**

If you wish to hear of the work of an Independence woman who has spent five years in the missionary field of Korea, come to the M. E. church Sunday evening at 7:30 and hear Miss Marie Church, who recently arrived in the United States. Miss Church is well known in Independence, having taught school here and at Buena Vista. She will tell something of the experiences of Korean prisons as she was one of the missionaries imprisoned during the Korean trouble recently. Good music. The pastor will preach in the morning. Sunday school at 10 a. m. C. T. COOK, Pastor.

**Baptist Church Announcements**

(Contributed)  
The meetings advertised for last Sunday were advertised as good ones and they sure were good ones. The singing was especially good and so was the preaching. Everyone was delighted as well as helped by the inspirational singing and preaching. Large crowds packed the church for three meetings. Though the famous singers are gone and with the mtheir preacher evangelist, they did not take with them the Bible and the Gospel which is preached every Sunday from the pulpit of this church. The Sunday school meets at 10 a. m.; a class for all ages. If you do not go to any church, come here. In the morning the Rev. H. L. Prodde will preach on the subject "Why I Am a Christian." This is a sermon you will want to hear. The Young Peoples' Society meets at 6:30 p. m. Here is the place where young people build Christian character. At the hour of 7:30 p. m., Rev. Proppe will preach his last of the series of sermons on the subject of Satan. His subject will be "The Doom of Satan and Universal Peace." Come and hear this message; it will do you good. We meet on Wednesday nights at 7:30 for our midweek good time prayer meeting. "Come thou with with us and we will do thee good."

Mrs. Jacob Fetzer was an Independence visitor last Friday and hereafter The Post will keep her posted on the leading events of south Polk county. Mr. and Mrs. Fetzer are enjoying life immensely on a farm near Suver.

Mavor W. H. Walker was called to Portland last week on account of the illness of Mrs. Walker who is passing a few weeks in the Rose City. Mr. Walker has returned and reports Mrs. Walker's condition very much improved.

Mrs. Alpha Bascue's fall millinery opening last Saturday attracted a large crowd of pleased patrons. As is her custom Mrs. Bascue put forth an especial effort to make this a very attractive showing. Her styles embrace everything new and smart for the coming season. The satisfactory feature is that the prices on both dresses and hats are very reasonable.
