

## Poles of Chicago in Great Demonstration

Former service men of Polish extraction in the great parade of the Poles of Chicago which was followed by a mass meeting at which the government was urged to aid Poland in its fight with soviet Russia.

## She Christened Army's Balloon

Miss Mary L. Anstead of Cleveland, O., who won the contest, decided by drawing lots, for sponsor of the United States army's giant balloon which is to be entered in the international balloon race in September. The christening took place at Fort Omaha.

## Gift From Her Sunday School Class

Miss Jessie L. Burrall, chief of the school service of the National Geographic society, and her parents, Mr. and Mrs. Joel H. Burrall of Little Falls, Minn. Miss Burrall is teacher of a Sunday school class of Calvary Baptist church in Washington, and her class brought her parents to the capital to see her as a surprise. Mr. Burrall is eighty-one years old and a Civil war veteran. There are 1,400 girls in Miss Burrall's class.

## Census Bureau Record Breakers

Speed records in operating the United States government's intricate machines are eagerly sought by the army of employees whom the census bureau is using to count the population of this country. Raymond L. Welty, at the left, has broken all records in feeding in one day 207,221 cards with 39 readings. Welty's average in cards handled per minute is 493. The machine records the figures signified by holes previously punched in the cards and totals them on a big sheet of paper.

## AUCTIONING COTTON

Miss Shirley Hoffman, auctioning the first bale of Georgia cotton, at the New York cotton exchange. Ralph H. Hubbard paid \$1.30 a pound for it. The proceeds went to charity.

## SMALLEST OF PONIES

"Little Frisky" is believed to be the smallest pony in existence. When he was born he weighed 17 pounds and was about the size of a puppy. Today he is just a month old, stands 26 inches high and weighs 28 pounds, and is possessor of a disposition that wins innumerable friends. This midget is the property of R. A. Babcock of Milwaukee, Wis.

## "SANTA CLAUS" IS OUT

John M. Hubbard, assistant postmaster of Chicago, who was forced to retire the other day by the civil service rules, after many years of valuable service. To the poorer children of Chicago he was known as "Santa Claus," for he always saw that no letter addressed by them to the patron saint of Christmas went unanswered.

## Dorothy Gish

This is Dainty Dorothy Gish, the popular "movie" star, who recently sailed on the "Imperator" for a vacation abroad. Miss Gish's work on the screen is familiar to millions who rely on motion pictures for their chief amusement.

## THE ROMANCE OF WORDS

### "JAZZ"

LIKE many another word, "jazz" has slipped into the English—or rather, into the American—language like the mule of which Mark Twain wrote that it was "without pride of ancestry or hope of posterity."

Jazz is not a derived word. It was coined and, according to Lieut. James Reese-Europe, U. S. A., who conducted one of the jazziest jazz bands, it owes its origin to a man named Razz, whose musical organization was famous in New Orleans some 15 years ago. Razz is reputed to have been the first to realize the harmony and appealing quality which resides in saxophones, trombones, snare drums and the like, when played with a snap and dash. So he specialized in this kind of syncopated music and his fame spread throughout the South, imitators springing up in various sections. One of these which toured Missouri and the middle West, styled itself the "Jazz-band"—slightly altering the name of the original leader. In the course of a year or so the final "s's" were changed to "z's." Jazz-bands made their appearance from the Atlantic to the Pacific, and "jazz" slipped into the language and even into the dictionaries.

### SHAMELESS CONFESSION.

We're bound to own the truth, although it makes our pride rise up and fret; We've knocked about a lot, and no woman has tried to steal us yet.

### Why a Bachelor Is.

"Why did you never marry?"  
"Well, you see, whenever I bought anything I always saw something I liked better, right afterward. I was afraid it would be that way in marriage, so I just didn't."

### THE SCIENTIFIC FARMER

"Mary, you've simply got to keep our children in better health or not let them play around my sanitary dairy barns!"

### He Wanted to Know.

"Paw?"  
"Yes, Gervase."  
"Is having a creak in your back anything like having a stream-lined body?"

### FINNIGIN FILOSOFY

If yez let to-morra go by wid-out havin' added a particle av joy to annywan's life, I niver wahnt yez t' shpake t' me agin!

### Hung, Nothin'!

"Did young Daubsleigh ever get any of his paintings hung?"  
"Hung? I should say so. His cigarette advertisements are hanging in every tobacconist's in the country."

## What the Sphinx Says.

By Newton Newkirk.

"Every employer pays his employees for knowing certain things which they ask him about."

# WRIGLEY'S

aids to good looks, sound teeth, eager appetite and digestion are only 5¢ a package

SEALED TIGHT—KEPT RIGHT

The Flavor LASTS

After every meal A-152

### "Pape's Diapepsin" Corrects Stomach.

"Pape's Diapepsin" is the quickest, surest relief for indigestion, gases, flatulence, heartburn, sourness, fermentation or stomach distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only 60 cents at drug store. Absolutely harmless and pleasant. Millions helped annually. Best stomach corrective known.—Adv.

### Mummies Should Be Confined.

A professor of bacteriology in the Northwestern university found that mummies are a source of germ incubation, and death and destruction is likely to lurk in the household that has a mummy in its bric-a-brac department. Keep your mummies incased.

### Cuticura for Pimply Faces.

To remove pimples and blackheads smear them with Cuticura Ointment. Wash off in five minutes with Cuticura Soap and hot water. Once clear keep your skin clear by using them for daily toilet purposes. Don't fail to include Cuticura Talcum.—Adv.

### Steam Never Visible.

Actual steam is not visible. The visible white vapor which is frequently referred to as steam is in reality a collection of fine moisture particles which are formed by the condensation of true steam.

### Naming No Names.

Reading some of the present day effusions, one reflects that it is possible for a poet to make dollars out of lines that others can't even make sense out of.—Boston Transcript.

### The Useful and the Beautiful.

The useful encourages itself: for the multitude produce it and no one can dispense with it; the beautiful must be encouraged, for few can set it forth, and many need it.—Goethe.

### Ancient Perfume.

It seems strange to us today to read of saffron as a perfume; one of the romances about it lies in the story by Hakluyt of a pilgrim smuggling, at the risk of his life, from the Levant, a head of saffron in a hollow made in his staff.

### Only Evening Up.

After all, what if we do overpraise a man when he is dead, doesn't he get lots of undeserved abuse while he is living?—Boston Transcript.

### Immunity From Second Attack.

The United States public health service says that it is well known that an attack of measles or scarlet fever or smallpox usually protects a person against another attack of the same disease. To some extent this appears to be true also of influenza. Just how long such protection lasts is not known.

### 10 Billion Potatoes From One.

If there were but one potato left in the world a careful cultivator might produce 10,000,000,000 from it in ten years and thus supply the world with seed again.

### When Spiders Retreat.

Spiders hide themselves in threatening weather. This is because they know insects do not fly about in the damp atmosphere preceding rain, and not because they lack umbrellas.

### Olive Oil Essential.

Although olive oil as a food and medicinal oil can be replaced very largely by other vegetable oils, there are one or two technical uses, wool spinning, for instance, for which no entirely satisfactory substitute has yet been found.

### Kissing Once Custom at Dance.

Down to the middle of the Victorian era it was considered quite the proper thing in England for a man to exchange kisses with his fair partner at the end of a dance.

## Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

**MURINE** Rests, Refreshes, Soothes, Heals—Keep your Eyes Strong and Healthy. If they Tired, Smart, Itch, or Burn, if Sore, Irritated, Inflamed or Granulated use Murine often. Safe for Infant or Adult. At all Druggists. Write for Free Eye Book. Murine Eye Remedy Company, Chicago, U. S. A.
