USED CARS Whether you get good value for the money invested in a used car, in our opinion, depends entirely on the amount of money you are required to spend to put your car in satisfactory condition. From our experience, we know that these figures run into a considerable amount and your seemingly good purchase may fast become a poor one as you pay the bills. When you buy from us a rebuilt and refinished used car, you have eliminated all the guess work. Your money buys the maximum value and there is no big future expense that must be taken care of as soon as you have your car paid for. **COVEY MOTOR CAR COMPANY** Washington St. at 21st. Main 6244
