Louise Du Pre

Successfully serving as an understudy to Mary Pickford, Louise Du Pre has entered stardom in the "movie" world. Miss Du Pre is a little Southern girl from Atlanta, Ga. Her real name is Lottie Lou Eady, and on her mother's side she is a descendant from the Du Pre family, pioneers of that state. She is recognized as the first understudy to a screen star in the history of motion pictures.

Beauty Chats

By EDNA KENT FORBES

MEAL BATHS

"WILL you kindly print directions for bran or oatmeal baths, or other baths for improving the texture of the skin?" writes a correspondent. In the same mail came a request for baths to help a rheumatic old lady.

So, since our space is brief, I think I will make a list of the various beauty and medicinal baths, with short directions for taking each kind.

There is, first, the oatmeal bath—essentially a bath for beauty. It whitens the skin, makes it wonderfully soft, and acts as a mild bleach. Take about four cupfuls of uncooked oatmeal, put in a muslin bag, and put the bag in the bath water, if possible letting the water from the faucets run over the bag. Squeeze it before getting into the bath, so the water becomes milky looking. One bagful can be used four or five times.

Bran baths are taken the same way, except that bran is used in place of the oatmeal. Many women use smaller

Oatmeal Baths Are Good for the Skin; They Make It Soft and White.

bags of oatmeal or bran, in place of the wash cloth, rubbing the meal bag over the skin.

The best bath for rheumatism is an Epsom salt bath. This requires about half a pound of the salts dissolved in the bathtub; the patient lies flat in the tub, with just enough water to cover the body, and soaks there till the heat has left the water.

Sulphur baths are beneficial to the health also, and are beautifiers as well. Many a sanitarium has made its reputation upon them—and they may be taken at home, if one has the time and patience. In the simplest form, they consist of dissolving flowers of sulphur in the hot bath water, and adding some bicarbonate of soda, such as you use in making up sour milk biscuits. Sanitariums usually add a few more such ingredients and mix with mud, applying this medicated mud to the skin.

Light Stuff.
"Did that 'quake' we had this morning do any damage?" asked the movie producer in California.
"Not much," said the property man, "It toppled over a couple of pyramids we are using in that Egyptian film, but I put four carpenters to work, and they'll have 'em up this afternoon."—Birmingham Age-Herald.

"Bayer Tablets of Aspirin" is genuine Aspirin proved safe by millions and prescribed by physicians for over twenty years. Druggists also sell larger "Bayer packages." Aspirin is trade mark Bayer Manufacture Monoaceticacidamide of Salicylicacid.—Adv.

Determining Height of Mountains.
The height of mountains is ascertained by barometric observation, showing the pressure of atmosphere at the lower and higher levels. An instrument called the mountain barometer is graded especially for this purpose. It can also be done with a leveling instrument and theodolite, but either way requires technical knowledge.

His Reason.
Speaking of politics and elections, we knew a man once who announced that he would vote for a certain candidate for office. When asked for his reason, he replied that the candidate was his friend. And when they asked him if he had no other reasons he said no; he said he didn't need any other reason. We have liked this man ever since.

To Destroy Red Ants.
Soak a sponge in sweetened water, wring and place where the ants have easy access to it. They will swarm over it and through it. Drop the sponge in boiling water and repeat the operation until the colony becomes alarmed at the loss of its workers and abandons the premises.

Hotel Kitchen Occupies Acre.
The kitchen of one of the big hotels in New York is an acre in extent.

Cuticura Comforts Baby's Skin
When red, rough and itching with hot baths of Cuticura Soap and touches of Cuticura Ointment. Also make use now and then of that exquisitely scented dusting powder, Cuticura Talcum, one of the indispensable Cuticura Toilet Trio.—Adv.

Peril in Iodine Fumes.
Fumes of iodine have recently been urged as a method of administering that drug preferable to the usual tincture. It has been shown by experiments that fumes are absorbed through the skin and when inhaled are absorbed by the lungs, but it is shown also that inhalation is very dangerous even in small quantities, especially when there is any disease of the respiratory passages.

"Pape's Diapepsin" for Indigestion.
"Pape's Diapepsin" is the quickest, surest relief for Indigestion, Gases, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only 50 cents at drug store. Absolutely harmless and pleasant. Millions helped annually. Best stomach corrective known.—Adv.

Proposing in Siam.
In Siam a declaration of marriage is very simple. It is considered a proposal merely to offer a lady a flower, or to take a light from a cigarette if she is holding it in her mouth, so that even the most timid of youths need not fear the ordeal.

Velocity of Wind.
When wind travels at a speed of ninety miles an hour it becomes a hurricane, but it is on record that in tropical countries storms have been known during which the wind reached a velocity estimated at more than 600 miles an hour.

Flexible Language.
Ours is a flexible language. For instance, according to a headline writer, "Grain Elevators Come Under Fire at Probe."—Toronto Mail and Empire.

Head Grows Till Man is 40.
Speaking generally, a man's head, particularly if he is a thinking man, continues to increase in size until he is forty or fifty years of age.
