This is because the full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often.

Now we are happy and proud to announce that we have contracted with F. Ray Comstock and Morris Gest, producers of the world-famous "Chu Chin Chow," whereby that brilliant and gorgeous spectacle of ancient Bagdad, the world's most beautiful production, will appear at the Heilig Theater four days, commencing Wednesday, November 24, with matinees Thanksgiving Day and Saturday.

"Chu Chin Chow" is a gigantic and gorgeous musical extravaganza, in fourteen scenes, with 18 musical numbers, produced on a scale of colossal grandeur, employing the services of 300 people. It was originally presented in London at His Majesty's Theater, nearly four years ago by Oscar Asche, in association with the late Sir Herbert Tree, and is still playing there to capacity.

The American production of "Chu Chin Chow" was made by Messrs. Comstock and Gest, after the payment of the biggest royalty ever known in the theatrical world, in New York more than two years ago, the scenery and costumes being imported from England and being exact duplicates of the originals.

"Chu Chin Chow" ran one entire season in New York at the Century Theater and then played an entire season in Boston, Philadelphia, Chicago and several other big cities.

This great production, once more presented in New York at the Century Theater in August, for a return engagement, and now embellished with many additional scenes and new costumes, comes here direct from its second engagement on Broadway.

Owing to intense interest in the engagement MAIL ORDERS for this important theatrical event will now be received. Send remittances with self addressed stamped envelope for return safe of tickets, and as there will unquestionably be an avalanche of mail orders, please name choice of two performances to insure getting seats.
