# NASH SIX

with Perfected VALVE-IN-HAND MOTOR

OWNERS of the Nash Six are most enthusiastic over the consistently high character of its performance.

It is not only its exceptional power which pleases them but also its extraordinary comfort, its unusual economy and its remarkable beauty of design and finish.

We believe that you too will be equally convinced of the superiority of the Nash Six by an actual demonstration of its ability.

There will be no decline in the price of Nash cars and trucks before July 1921.

### Civic Club at Butlers

Mrs. O. D. Butler opened her hospitable home to the members of the Civic Club last Wednesday.

The meeting was an enthusiastic one and reports from committees showed that each chairman and her helpers had been diligently working for the future. The calendar committee, Mrs. Taylor Jones, Mrs. O. A. Kreamer and Mrs. O. D. Butler announced the arrangement of the following programs:

Jan. 12—Origin of Japan  
Miss Madaline Kreamer  
Government of Japan

Jan. 26—Religion of Japan  
Mrs. H. B. Fletcher  
Mrs. Bradner  
Japanese Art

Feb. 9—Girls of Japan  
Mrs. Clyde Ecker  
Mrs. J. S. Cooper  
Boys of Japan

Mrs. K. C. Eldridge  
This committee recommended that roll call be responded to with something about Japan, either something gleaned from a previous meeting or a pretty thought about that country. This committee further suggested that members who desire bring hand-work to meetings.

The committee appointed to develop plans for beautifying the fill on Main street decided that the Portland rose (Caroline Testout) be used as an outline for the parking and approach, that the sides of the fill be planted with such shrubbery that each season may have its blossom or distinctive foliage. This committee recommended that the three main entrances to the city (north, south and west) be developed in the same manner, that the club interests itself in slipping and collecting all pink roses obtainable and that a day in February be designated as planting day and the initial work be started at that time with a club rally. This committee consisting of Mrs. O. D. Butler, Mrs. J. S. Robbie, Mrs. J. S. Cooper, Mrs. C. O. Sloper and Mrs. Frank Smith communicated with the city council and offered to promote such plans for the beautification of the fill if that body would approve and assured them of hearty co-operation from the club.

The Misses Thelma Williams and Kathleen Skinner played a group of piano duets which were heartily received. Mrs. M. J. Butler sang a refreshing group of solos. A Thanksgiving song was rendered first and for the second number in keeping with the subject of study Mrs. Butler chose the "Japanese Sandman," while the third was a "nigger" lullaby. Miss Helen Cornelius then favored the gathering with a group of piano solos.

Mrs. Pember offered her home for the next meeting Dec. 8. The ladies jubilantly accepted and Mrs. J. E. Hubbard was appointed to make arrangements necessary. For a permanent meeting place Mrs. K. C. Eldridge, Mrs. G. W. Girard and Mrs. J. E. Hubbard were appointed to make investigation and report at next meeting.
