**CITY AND COUNTRY**

The Misses Gretchen and Madaline Kreamer went to Portland for the week end.

Riley Cooper was here from Alesha this week. He reports everything fine in that country, tho he hasn't been fishing lately.

Mr. and Mrs. M. D. Hammel were here from Falls City Monday visiting Mrs. J. E. Hubbard. The party motored to Salem.

W. G. Grant and son, Fred, arrived the first of the week from California where Mr. Grant had taken his son in the hope of regaining the boy's health. While there specialists were consulted with very discouraging results.

**Co. Library System Wins**

The Independence library board consisting of Mrs. J. S. Cooper, Mrs. C. D. Calbreath, Mrs. Clyde Ecker, H. Hirschberg and A. L. Thomas met Miss Marvin, state librarian, the Dallas board, representatives from Monmouth, Falls City, Eola, Perrydale and West Salem in Dallas last Tuesday. The representatives went before the county court in behalf of the proposed county library system. The court readily granted a levy of two-tenths of a mill which will be put in the county budget. It was hoped to get three-tenths of a mill but two-tenths was all the court had at its disposal and the representatives felt very grateful for this allowance. Miss Marvin stated that she believed we could have the use of about 500 volumes of technical books from the state library which would be of great assistance in making the change.

Don't be a slacker; eat Liberty bread.

**Civic Club Visits Monmouth**

Members of the Civic Club were most graciously entertained at the attractive home of Mrs. Pember in Monmouth last Wednesday afternoon. Members gathered at the home of Mrs. O. D. Butler where machines were awaiting to convey them to the Normal City. Thruout the attractive Pember home chrysanthemums were effectively used. After a brief business session the meeting was given over to hostess and chairman, Mrs. J. E. Hubbard, who had arranged an excellent program. Beautiful vocal numbers were rendered by Mrs. C. W. Irvine and Mrs. M. J. Butler with Mrs. G. G. Walker and Miss Helen Cornelius as accompanists. Clever readings were given by Misses Velma Johnson and Hattie Bernstein. Mrs. Pember presented a very instructive paper on Japanese customs which was largely a comparison of the Oriental customs with our own. Mrs. Pember's paper was very much appreciated and showed much thought. To close the program by special request Mrs. M. J. Butler sang "The Japanese Sand Man." Mrs. Frank Dickson's name was added to the club's steadily increasing membership. During the tea hour Mrs. Ackerman and Mrs. Clark presided over the tea urns. The tea table was centered with an art basket of choice chrysanthemums. A bevy of pretty high school girls assisted in the serving. The club will not meet again until Jan. 12, 1921, when Miss Madaline Kreamer and Mrs. H. B. Fletcher will present papers on "Origin of Japan" and "Government of Japan." The place to be announced later. Guests of the club were Mrs. J. H. Ackerman, Mrs. E. F. Black and Misses Jessica Todd, Plevis and Mae Smith.

**Bridge Luncheon**

Mrs. Asa B. Robinson most delightfully entertained the Dallas Bridge club of which she is a member at her Monmouth street home last Wednesday afternoon. The interior of the house was beautified with prettily arranged blossoms. As is the custom of the club luncheon is served at one o'clock and then followed by the all absorbing game. Several Independence players were invited to augment the players of the neighboring city and Mrs. Robinson's charming hospitality was most thoroughly enjoyed.
