## DURDALL IS APPREHENDED

Charged With Obtaining Money Under False Pretenses.

LIABILITIES \$22,000.00

He Is Given Liberty Until Hearing Under Bond Of \$1000.00.

C. Burton Durdall, proprietor of the Farmers Cash Store of Salem, Independence and Silverton, was arrested in Roseburg Tuesday morning and brought back to Salem Wednesday. He left Salem on April 23, a few days before his stores were closed by creditors.

Durdall is charged by the U. S. National Bank of Salem with obtaining money under false pretenses. On February 23, the complaint alleges, Durdall "unlawfully, feloniously and falsely represented in writing that he was solvent and a man of wealth, for the purpose of inducing the U. S. National Bank of Salem to loan him \$1500." He negotiated the loan from the bank, the complaint alleges, showing himself to be worth \$22,000 "over and above his liabilities whereas he was at the time insolvent."

Indications are that Durdall has liabilities aggregating approximately \$20,000 and assets totaling about \$8000.

All three stores remain closed pending a settlement with creditors. A Salem party is attempting to arrange for the purchase of the Independence store. He wishes to engage in the grocery business here.

Mr. Durdall has been released under a \$1000 bond.

## MOTHER

Time has scattered the snowy flakes on her brow, ploughed furrows in her cheeks—but is she not sweet and beautiful now? The lips which have kissed many hot tears from the childish cheek are the sweetest lips in the world. The eye is dim, yet it glows with the apt radiance of a holy love which can never fade. Oh, yes, she is dear old mother. Her sands of time are nearly run out, but feeble as she is, she will go further and reach lower for you than will any other on earth. You cannot walk into midnight where she cannot see you; you cannot enter a prison whose bars will keep her out; you cannot mount a scaffold too high for her to reach that she may kiss and bless you. In evidence of her deathless love, when the world may despise and forsake you—when it leaves you by the wayside to die untouched—the dear old mother will gather you up in feeble arms, carry you home and tell you of all your virtues until you almost forget that your soul is disfigured by vices.

## Correct Vision

If not naturally enjoyed must be obtained artificially. We are adepts in supplying artificial vision to those whose natural sight is poor or defective. Cement bifocals were outclassed years ago by the Ultex one-piece and Kryptok bifocal, but the difference in price was so great that many used the Cement instead of the former. But we now have a one piece bifocal that is cheaper. Let us tell you why.

Yours truly,
