

TWO MEASURES CARRY AT ELECTION

Of the five measures voted on Tuesday the soldier's bonus bill and emergency clause veto carried by large majorities. The legislative regulation and hygienic marriage bills were decisively defeated. The women jury bill lost by a small margin with a few precincts to hear from. Polk county gave the soldiers' bonus and emergency clause veto a majority but rejected the other three measures.

COMPANY K MAKE PLANS FOR TRAINING

At its regular meeting tonight Co. K will make preliminary arrangements for going into training camp at Camp Lewis next week. While it is being urged that every member of the Company go, in all probability there will be a few who cannot get away. Captain Groves expects to leave town with at least fifty men and there won't be a better bunch at the training camp.

Captain Emerson Groves Knocks Horse for a "Cool"

Last Sunday night while returning from Portland, Captain Emerson Groves and his Studebaker were ordered off the highway by three loose horses. Two were black and one mouse colored. The dark ones were easily seen and Capt. G. managed to escape them, but the mouse colored one was not so easily discerned and when the car and horse came in contact the horse lost its life and the hood of the car lost its symmetry. Cap. G. declares the black horses brought exactly the same kind of luck a pair of black cats would be expected to deal. The owner of the horses, however, attaches no blame whatever to Capt. G. and said through some negligence the horses had escaped through an open gate.

J. W. Morgan and wife of Albany spent the week end at the James Morgan home.

WOMAN'S CLUB ELECTS OFFICERS

The Woman's Club closed its year's work Wednesday. The meeting was held at the home of Mrs. D. P. McCarthy. Reports of officers were heard and the following officers were elected for the ensuing year:

President, Mrs. O. D. Butler.
1st Vice President, Mrs. S. Taylor Jones.
2nd Vice President, Mrs. K. C. Eldridge.
Secretary, Mrs. H. B. Fletcher.

Members of the Executive Board, Mrs. Oliver Smith and Mrs. Chas. Fitchard.

This is a capable corps of officers, each one fitting admirably into the place she is to fill. The Club will start the next year under the most favorable circumstance and many far-reaching activities will be accomplished under the incoming leadership.

Following the business, Mrs. Ecker received an expression of gratitude from the Club for her faithfulness to her office. A social hour and informal reception for the outgoing officers was held. Mrs. K. C. Eldridge, a past president, and Mrs. Clyde Ecker, the retiring president, presided over the tea and coffee urns. The hostess was assisted by Mrs. Robbie, chairman of the social committee, in serving.

The retiring president, assisted by Mrs. Robbie, initiated the incoming officers after the manner of the State officers' installation at last year's Federation. The next meeting of the Club will be held the second Wednesday in October.

Independence D. O. K. K.s Visit Salem Saturday

About fifty members of the local Sunshine degree of the K. P.s or the D. O. K. K.s, went to Salem Saturday night to participate in initiating a number of brothers into the order. The Capital City furnished such splendid entertainment the Independence brothers didn't reach home until about 4:30 Sunday morning and they declare they didn't want to come even then.

Mrs. Mannoek entertained the Ladies Aid of the Christian church at a delightful picnic at her home yesterday afternoon. The ladies motored out to the country home of Mrs. Mannoek and report a most delightful time visiting and feasting on the good things that make up the country life.

BACCALAUREATE SERVICES SUNDAY

Baccalaureate services for the Independence High Senior class were held at the Methodist church Sunday evening. Dr. Dunsmore spoke to the class using Daniel's steadfastness as his theme. The address was eloquent and brought the lesson of faith to the right principles to the young men and women who are just ready to enter college life.

A quartette consisting of Messrs: L. E. Barriek, B. R. Wolfe, Underhill and Henderson rendered a group of songs.

Miss Mildred Davis offered a violin solo; Mrs. Barnell sang an arrangement of "Rock of Ages" and Mrs. C. W. Irvine sang "Open the Gates of the Temple." The decorations were artistic and many interested friends attended the services.

The graduation exercises will be held this evening.

The members of the class include: Helen Turnbull, Marjorie Reynolds, Edna Burch, Muriel Wilson, Kathleen Skinner, Faye Walker, Sec.; Edith Plessinger, Melvin Ray, Glenn Burright, president; Robt. High School at Airlie Graduates Two Pupils

Dallas—County Superintendent Josiah Wills was present at the commencement exercises for the Airlie high school last Saturday evening at which time two pupils, Winnogene Peterson and Frank Tubandt, graduated. Rev. Ballentyne offered the invocation and Harry C. Seymour, director of industrial club work for the state and former county school superintendent of Polk county, made the address of the evening. His subject was "Proper Motivation". Prof. H. W. Copeland presented the diplomas to the graduates. Prof. Copeland is going to Shaniko for the ensuing year. One of the interesting surprises of the evening was the numerous surprises presented to the graduates. Airlie is one of the few standard high schools in the county though a very few pupils attend.

Mrs. Lottie Hedges McIntosh will present her pupils in recital at the Methodist church Wednesday evening, June 15. A small admission of 10 cents will be charged. Mrs. McIntosh always donates the receipts to the church. Music lovers always anticipate these annual affairs to which the public is cordially invited. The program appears elsewhere in this paper.

There were about thirty-five relatives present. The reunion was held in Portland on account of the illness of J. S. Cooper, and with the idea that he might be able to attend. Mr. Riley Cooper stated that while his brother did not join the gathering, the relatives all dropped in to wish him a speedy recovery, and he joined with them in saying he'd be ready for the one in 1922.

BOOZE RAID NETS MEN, MASH, CARS

Sheriff Orr and two deputies captured Jess Fox, Wright Cooper, B. F. Mills and Forest Brown, two stills, sixteen barrels of mash, an Overland touring car, a Ford truck and a Ford car in a raid about one o'clock Thursday morning when they invaded a moonshine rendezvous three miles south of Buena Vista near the Benton county line. The officers missed two or three other men who lost themselves in the brush along the river bank. The sheriff having suspicions for some time has visited there several occasions before but found the house vacant. All four men plead not guilty when arraigned on the charge of "moonshining," declaring that they had only visited the place for the purpose of buying booze. In default of a \$50 bond all were lodged in the county jail. Mills' trial is scheduled for this afternoon. The trial of the others will be held later. They have asked for a jury trial.

Mrs. Govro celebrated her birthday last Tuesday with a family gathering. Out of town relatives were Mrs. Walter Goff and Mrs. Elmer Goff of Albany, Walter and Willie Govro of Portland.
