EXPENSIVE RAT'S NEST.

Charles S. Schaffer of Irwin, Pa., found a \$10 bill missing from a cache of \$315 he hid under his parlor carpet, after he sold an automobile. The entire family hunted for the missing money, but failed to find it. Then a suspicious noise was heard in the cellar. Armed, Mr. Schaffer descended the cellar stairs to investigate and heard a scratching sound overhead. He felt along a rafter with his fingers. They came in contact with eight soft baby rats. The \$10 bill formed part of the nest.
