is next of importance to the doctor's orders. Promptness means that we have the freshest and latest drugs right here in the compounding department and that there is no need for unnecessary waiting. Efficiency signifies that the very highest skill is used in filling your prescription. The combination of these two things is of the greatest consequence IN THAT CURE. Ask Your doctor.

Besides a well equipped compounding department, we have a large stock of all the specialties usually carried by every first class drug store.
