Little Child Dies

Wellington—The little child of Mr. and Mrs. Edward Fuller, aged two years four months and ten days, died Sunday evening of cholera infantum.

The services were conducted by Rev. Sandifur, pastor of the M. E. Church, who delivered a very touching address reading the ninetyeth psalm and taking as his text these words, "I shall go to him, but he shall not return to me," 2 Samuel 12—23. The choir of the M. E. Church furnished the music and the floral offerings were very beautiful. The interment was held in the I. O. O. F. cemetery.

NICE RESIDENCE

Mr. Macey Starts New Home This Week

O. A. Macy has started a fine new bungalow on his lots recently purchased on C street. Mr. Smiley has the contract for erecting the building. This will be one of the latest styled bungalows and one of the nicest houses in the city when completed. Several other residences are being contemplated and by winter we believe there will be forty new residences under construction. The residence section has been limited for some time and there are peo-

ple in the city everyday trying to get a desirable property to rent. Good residences will rent as soon as built and pay a good interest on the investment.

LOCAL ITEMS

B Fay Dunsmore returned from Vancouver B.C. on Friday.

Mrs. A. Caughey of Airlie was down Thursday on a business trip.

J. W. Ulrich of Airlie was transacting business in this city Thursday.

Walker & Whitney have sublet their lease on the Whiteaker building to Mr. L. A. Carey who is having a fine display window put in there.

Conkey & Walker have their store newly painted and the new balcony completed. It gives them much more room for their general stock of merchandise.

Mr. and Mrs. Wm. Herzog, Sol Herzog, Harry Herzog, of Independence, Julius Herzog and Master Ralph participated in a family reunion of the family last Monday. The reunion was the first time the family have been together since June. Mrs. Herzog and Master Ralph left for Newport Monday morning for a few weeks outing.

Lyman Damon had to get busy this week and make more hop house room. His hops are so much heavier than he thought they would be that he has commenced to repair and remodel the hop house opposite the Dr. Allen property on main street in order to have enough drying room to take care of his hop crop this year.
