Mr. Crow's sermon Sunday morning will be "As Christ is received" and in the evening "An Admonition from Paul to Timothy." Special music will be rendered at both services as usual. We were pleased to have another good day the past Sunday. We hope you will meet with us this week if you never have that you may know the character of our services, and enjoy them with us. Our song service will begin promptly at seven-thirty and promises to be better than even last week.

## MONMOUTH NOTES

The first inter-class basket ball game of the season was played by the Senior and Junior girls teams Friday afternoon. Both teams did well. The yell leaders were at their best and enthusiasm ran high. The final score was 11 to 9 in favor of the Seniors. Following the inter-class game a spirited game between the All-Stars and Normals was played in which the former was victorious.

Miss Davis represented the faculty in the chapel talk Friday. After emphasizing the importance of story telling in schools, the speaker told of "The First Christmas Tree and The Other Wise Man" in a very charming and effective way.

The Bread sale, held by the Domestic Science department Wednesday was well patronized. We believe the girls are "letting the credits fade" since they gave us bread instead of stone.

Hon. Frank Irvin, editorial writer of the Journal will speak during chapel period next Friday. Mr. Irvin has done much for the Normal and Education generally.

Mr. Chappin, member of the State Board of Agriculture, addressed the Agricultural class Wednesday.

Mr. Guy Richards spoke on "Everyday Patriotism" in chapel Tuesday morning. Mr. Richards was the third of the senior speakers this year.

The three literary societies are preparing an elaborate Christmas Pageant which will be given next Thursday. The typical Christmas scenes of other lands will be portrayed.

The ladies of the Christian church will give a cooked food

sale at the Reeves Grocery Store Saturday morning. The window will be a Christmas window.

## BAZAAR IS BIG SUCCESS

### All That Could be Expected of any Town

On last Friday evening the Presbyterian and Christian Church gave Independence the most attractive and profitable Bazaar ever attempted. The churches worked together splendidly and we trust the day will be when all the churches will unite in just such things. The fair of Friday evening indeed proves what can be accomplished in a united effort. Financially both churches were greatly helped. The program was excellent, the favorite number of the evening being Mr. Humbert's singing of Eugene. It would be unfair not to mention the decorations especially the stage which was set for the Japanese Tea Garden. It is reported to have been the most elaborate of anything ever seen here. Everyone seemed to have been well pleased with the affair all through.
